It all starts in the living area with the beauty of new raised panel cabinet doors and new wood slide-out fascia. The cockpit features plush Leatherette recliner seats and the exclusive Panaview™ 1-piece windshield, for an unobstructed view. Exciting options include a 3-camera rear vision system and GPS navigation.

## THE ROADMASTER DIFFERENCE

Turn the key of the 2009 Vacationer and prepare to experience the best-in-class performance of the Roadmaster chassis. Roadmaster is the only chassis manufacturer with a 100 percent commitment to only producing chassis for luxury motorhomes. In fact, every Roadmaster chassis is custom built for the exact model and floorplan. That means you'll enjoy a smoother ride, superior front-to-rear balance and unbeatable strength and reliability. We encourage you to take a few minutes to learn more about the many features that put Roadmaster in a class by itself.

## ROADMASTER RSR RAIL CHASSIS

- 1** A steel cage cockpit gives the Roadmaster chassis incomparable strength and safety in the front of the coach.
- 2** Every Roadmaster chassis features a steel firewall for added protection in the cockpit.
- 3** The heavy-duty steel undercarriage provides unsurpassed safety, strength and durability.
- 4** The intercooler is stacked on top of the radiator, with an aluminum core instead of steel components sandwiched together, for the best cooling package in the industry.
- 5** The rugged Cummins® ISB-AD 340 HP engine is mounted in the rear of the coach for a quieter ride. With 660 lbs./ft. torque, it gives you maximum power when you need it most. The Allison® 2100 MH and 6-Speed World Transmission comes with a pushbutton shift pad for added convenience.
