# **GRANITE RIDGE, GREYHAWK, ESCAPADE** 2006 Class C Motorhomes

### COMFORT THAT MOVES YOU.

Downe

GRANITE RIDGE

AMERICA'S MOST **LIVEABLE** RVS.

AMERICA'S MOST LIVEABLE RVS.

Liveable," to our customers, could mean comfort. To our designers, it's a refined, ergonomic floorplan. For those who build them, we see value. The definition is most likely "all of the above"... and then some.

### JAYCO COMFORT IN A CLASS C.

Everything that makes America's Most Liveable RVs, so "liveable" is in each Granite Ridge, Greyhawk and Escapade. The high level of craftsmanship and comfort is obvious inside and out. Solid oak cabinet doors, rack and pinion lideouts surrounded by a high-tech, low maintenance vacuum-bonded outer shel

- 1. The Escapade's front cab offers all of the convenient and comfortable features you'll need to cruise in luxury, including cruise control and power locks and windows.
- 2. The Escapade's spacious living room, furnished with a steel frame, hand upholstered sofa, is stylish and homey.
- 3. The Escapade's bathroom offers all the comforts of a home bathroom, including residential-style six-panel doors, skylight and a medicine cabinet with mirror.

## COMFORT THAT MOVES YOU.

1. The Greyhawk's expansive pass-through basement storage area leaves plenty of room for your bulky gear. 2. With it's plush sofa and practical dinette, the Greyhawk's living area is not only elegant, it also has a comfy, homey feel. 3. The optional back-up monitor and camera makes driving in reverse both simpler and safer.

19.20

#### WELCOME HOME.

Every Jayco Class C interior says "come on in ... put your feet up and stay awhile." Fully equipped kitchens handle everything from late night s'mores to a cook-all-day-long, family sit-down. A queen bed with pillow-top mattress awaits you at the end of the day. This is the good life.

- 1. The Greyhawk's command center puts switches for the slideout, water heater, generator and water pump at your fingertips.
- 2. With its queen, pillow-top mattress, under-cabinet reading lights and recessed TV shelf, the bedroom is the perfect place to relax.
- 3. The overcab front entertainment center features a 24" TV and is positioned so everyone can enjoy movies.

## COMFORT THAT MOVES YOU.

1. Choose from two beautiful types of wood for your Granite Ridge: Manchester Oak or Concord Cherry, offered exclusively by Jayco.

- ------

2. Residential guides allow you to open and close your drawers smoothly.

3. Our high-quality cabinets are built by old-world craftsmen to last a lifetime.

#### THE GREAT INDOORS.

Little niceties are standard, like an outside utility center that consolidates and operates all your tank valves remotely. Plus, lighted outdoor rinse-off shower with an integrated paper towel dispenser says "someone was thinking." Having options is always nice too, like two premium paint packages or cabinetry in Manchester Oak or Concord Cherry.

- The Granite Ridge offers comfort and safety with dual air bags, factory air conditioning, tilt steering and adjustable recliner seats.
- 2. The Granite Ridge's well-designed bedroom has ample cabinet storage space, including a large wardrobe.
- 3. The outside utility center's "no-mess" valve system on our basement models makes dumping holding tanks clean and easy.

used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options, or dealer-installed accessories.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this motorhome as built at the factory. The UVW, as cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo, and dealer-installed accessories that can be carried by the motorhome. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Weight Label: Jayco affixes a weight label to each new RV which lists weight information for that vehicle.

### **Class C Chassis**

### Ford

- Triton<sup>™</sup> V10 engine
- Five-speed automatic overdrive transmission with electronic shift controls.
- Twin I-beam independent front suspension provides excellent ride and handling. Front stabilizer bar provides additional system integrity and stability.
- Shock-absorbing body mounts reduce vibration between chassis and coach for a more comfortable ride.
- Out-front engine design gives excellent engine access, puts oil dipstick, oil fill, windshield washer and coolant fill reservoir within easy reach and results in comfortable cab leg room.
- E-Coat<sup>™</sup> on frame and welded cross members resists corrosion for years.
- Four-wheel anti-lock disc brakes increase safety on slippery roads or during sudden stops.

### Chevy

- Vortec 6,000 V8 engine
- · Four-speed heavy-duty automatic transmission with overdrive and tow/haul mode
- Four-wheel antilock disc brakes
- Full ladder frame
- Multileaf rear springs
- Power steering
- Vinyl reclining front bucket seats

# We Back What We Build.

MARRANT

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. In addition, our limited warranty may be transferred one time within the warranty period. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our website at www.jayco.com.

Your Jayco Dealer

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco, or visit our web site.

Please Note: All information in this brochure is the latest available at the time of publication approval. Jayco reserves the right to make changes and to discontinue models without notice or obligation. Photos in this brochure may show optional equipment. RVs built for sale in Canada may differ to conform to Canadian codes.
