ZX QUALITY.

Introducing a toy hauler that many 1/2 ton trucks or large SUVs can tow while giving up nothing in liveable comfort or features. Octane™ ZX... the only lite weight toy hauler good enough to be called a ZX.
The Octane's versatile living and storage spaces create the ultimate sport utility RV—complete with a spacious garage with non-slip ramp and a comfortable place to sleep. A front bedroom is available in the T24Z.

1. Optional fuel station with 25-gallon gas tank.
2. Optional Onan® Microquiet 4000-watt generator.
3. Optional patio screen room.
5. 10' (minimum) heavy-duty 2500 lb. capacity D-rings.
6. Kicker® stereo and speaker system includes an Apple® iPod® charger/adapter, iPod® dock and a Kenwood CD receiver.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to towing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice taking off, driving, backing up, and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

Unloaded Vehicle Weight (UWV): Sometimes referred to as "Dry Weight." UWV means the typical weight of this trailer as built at the factory. The UWV, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, gas options, or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UWV plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or less than the sum of the UWV and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo, and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than the calculated GVWR minus Unreal. The addition of options will decrease the CCC.

Hitch Weight (HWI): Hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. Sport Utility trailers are designed to be towed with a loaded cargo bay.

The BEST GETS BETTER.
2006 OCTANE™ ZX Lightweight Toy Haulers

We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase. Visit your local Jayco dealer or visit our website at www.jayco.com.

Customer First Roadside Assistance

Travel worry-free in your Octane ZX with Jayco's Customer First Roadside Assistance program. No cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

Emergency Roadside Assistance
- 24-hour toll-free emergency message service
- $2,000 trip interruption reimbursement
- TOW-free nationwide service appointment assistance
- Free custom trip routing and full color map service
- Free dispatch of on-site mechanical service
- $1,000 auto theft or hit and run reward

As a Jayco owner, you can be part of the Jayco Safari International Travel Club. Ask your dealer about the Safari "Call Your Dealer" program, write Jayco, or visit our website.

Please Note: All information in this brochure is the latest available at the time of publication. Please make sure to contact your local dealer for further information and prices.
