“Liveable” may mean what you see, what you feel or even what you trust about a Jayco. But one thing is for certain, “liveable” is the reason why more people across North America are making Jayco their choice in RVs.

Invisible Liveables

More Americans buy Jay Flight travel trailers and fifth wheels than any other brand. You simply get more for your money … and that includes build quality!
1. (Left) End view of Jayco's I-Class™ structural steel chassis frame. (Right) End view of the welded I-beam frame used by many competitors that is subject to warping.

2. Jake Plate™ adjustable axle hanger plates allow you to adjust the height of your fifth wheel up to 2 inches for more level towing.

3. Jay Flight's EZ Lube axles with removable caps make maintenance a snap.

4. With the push of a button, Jayco’s V-Tec™ flush-floor slideout systems increase your living space.

5. The RVQ, Jayco's optional portable gas grill, attaches in a snap whenever your family is ready for a cookout.

6. All models come equipped with an outside shower, making it a breeze to rinse off after fishing or hiking and keeping the inside of your Jay Flight clean.

7. Large, lockable storage compartments keep bulky outdoor equipment close at hand but out of sight, and keep your living space clutter-free. The pass-through design permits easy access to the items from either side.

8. 0.024” aluminum siding

9. ⅝” luan board

10. Bead-foam insulation in sidewalls and floors (R7 in sidewalls, R9 in floors)

11. 2” wall studs on 16” centers

12. Seamless one-piece rubber roof

13. Roof rafters, constructed of residential-style tapered 4½” trusses

14. 2”x 3” Floor Stringers on 16” centers

15. Jayco’s I-Class™ structural steel chassis frame

16. ⅝” plywood

17. Carpet pad for enhanced durability and comfort

18. Attractive, easy-care carpet

19. The optional diamond-plate front panel adds more protection as well as a an impressive element to your Jay Flight's exterior.

20. The sturdy gas bottle cover, made of molded ABS, offers protection from road debris.

21. Carefree® patio awning

22. Electro Galvanized (EGS) metal backing strips

23. Welded tubular-aluminum sidewall framework

24. Insulated, foam air conditioning duct

25. Enclosed, insulated and heated underbelly

26. Unitized, 1½” laminated construction of floor

27. TuffShell™ vacuum-bond laminated sidewalls offer a durable and lighter weight construction.

29. ¼” plywood roof decking

30. R-7 fiberglass insulation
Incredible Liveables.

Jay Flights have a long list of standard features that other manufacturers only offer as expensive options. A full range of travel trailer and fifth wheel floorplans means a custom fit for any size family.
Special thanks to our friends at Jellystone Park for the use of their facilities for this photo.
Incomparable Liveables.

Storage is everywhere you look and so is our popular Manchester Oak cabinetry. Six panel passage doors open to queen size beds and full sized bathrooms. Complete kitchens with oak raised panel refrigerators remind you why Jay Flights are indeed America’s favorite.
Desirable Liveables.

The inviting interiors of Jay Flight travel trailers and fifth wheels are easy to live in and easy to enjoy. They feature beautifully crafted cabinetry and furniture, plenty of thoughtfully designed and placed storage, and decorative accents to enhance the style.

1. Jayco’s unique window valances with wood appliqués add distinctive charm to the TV viewing area. The entertainment center comes complete with a home theater system with Dolby™ Digital 5.1 Surround Sound and DVD/CD player (included in the Customer Value Package).

2. Manchester Oak cabinetry in the kitchen is crafted with easy-slide drawers and a handy spice rack. Busy cooks will also appreciate the high-rise faucet and generous counter space.

3. Little touches make the bathroom a refreshing change from the ordinary, like shelves in the shower, a removable showerhead, and a large sink surrounded by storage.

4. The residential-quality J-Steel™ convertible sofa combines versatility with incredible comfort. In an instant, it transforms from a sofa for two to a comfortable sleeping space.

5. From dressing in the morning to relaxing in the evening, the bedroom with adjoining bathroom is built to make each day easier. It features a 312-coil innerspring mattress, ample storage, and a bookshelf headboard. (fifth wheels only)

6. The hardwood silverware drawer includes built-in dividers to keep the contents neat and organized.

7. Below the cozy and comfortable dinette seats are storage drawers perfect for table settings, board games, or other odds and ends. (fifth wheels only)

8. There’s a place for all your travel essentials inside these roomy closets and drawers. To make the large cupboard even more convenient, we gave it access from both the kitchen and bedroom.

9. Attic fan: The powered attic fan in the bathroom improves ventilation. (Included in the Customer Value Package.)

10. 360-degree rotating adjustable vent: Stay cool in the summer with the 13,500 or 15,000 BTU central A/C in the Customer Value Package and standard adjustable full closure vents.

11. Overhead cabinets with mirrored inserts provide out-of-the-way storage as well as stylish flair above the sofa area.

- Sofa ILO swivel chairs (select models)
- Trundle bed ILO futon (select models)
- Portable, outside gas RVQ® grill w/carrying case
- Roof ladder
- Spare tire and tire carrier w/vinyl tire cover
- Water purification system

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and the GVWR of your RV is critical. Review weights and ratings of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you would when driving a single vehicle. Practice hooking up, driving, backing up, and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart to the left.

Unloaded Vehicle Weight (UVW): Sometimes referred to as “Dry Weight,” UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options, or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): The GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fresh water, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Gross Vehicle Weight Rating (GVWR): The GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fresh water, propane, options, or dealer-installed accessories.

### Cargo Carrying Capacity

- Cargo Carrying Capacity
- Fresh Water Capacity
- Gray Wastewater Capacity
- Toilet/Black Wastewater Capacity

*Includes water heater capacity

- $1,000 auto theft or hit-and run reward
- $2,000 trip interruption reimbursement
- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks

We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. In addition, our limited warranty may be transferred one time within the warranty period. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our website at www.jayco.com.
