2008 GREYHAWK BY JAYCO

FAMILY ADVENTURES START HERE

MOTORHOMES BY JAYCO®
Greyhawk is the perfect first family motorhome. Not only is it packed with liveable favorites like an entertainment center, outside grill and electric awning, it's affordable. Combine the comfortable and well-appointed living spaces with high-quality construction features like vacuum-bonded sidewalls and roof and you’ll realize with Greyhawk, you really do get more for less.

1 Designed and built for maximum comfort, Greyhawk’s furniture is also versatile. Both the sofa and dinette convert into beds.

2 Greyhawk (not GH Sport) comes with a standard 20” LCD TV

3 Long drives will be more enjoyable, thanks to Greyhawk’s well-equipped front cab with attractive, fully-adjustable recliners, premium AM/FM/CD stereo, privacy curtains and a stylish dash kit.

Celebrating 40 Years of Liveability
The Jayco story began in 1968 with a humble desire to build more comfortable and practical ways for families to explore the world together. Jayco has grown to become the largest privately owned manufacturer of recreation vehicles in North America. While our product line is more diverse than ever before, every unit we build shares a common attribute — liveability. Because we believe every journey should be easy to enjoy.
RICH WITH FEATURES
AFFORDABLY PRICED

GREYHAWK™ & GREYHAWK SPORT™

Ford® E450 Chassis
Whether it's a quick weekend trip to the lake or a cross-country excursion, you and your family will find the Greyhawk to be a perfect way to get away. Inside its spacious interior you’ll find all the things your family needs, like ample storage and cable TV hookup, plus the comfortable living spaces you crave while you’re on the road. And thanks to the electric-powered slideout, you can easily expand the living space to give your family room to really spread out. Greyhawk is full of distinctive features like Northridge solid maple cabinetry, oil-rubbed bronze hardware, and four interior color schemes, making it an elegant, but great value.
A Great Year to Buy

In honor of Jayco’s 40th Anniversary, we’ve added special features to selected 2008 Greyhawk models including the adjustable Dream Dinette™ table mechanism and flat screen LCD TV. Ask your Jayco dealer for complete details.

1 Convenience is a priority in Greyhawk’s kitchen, which is equipped with a 3-burner range and molded double bowl sink.

2 The bright bathroom feels like home, right down to the wood medicine cabinet with mirror, stylish fixtures, foot-flush toilet and skylight.

3 With luxurious features like a pillow-top queen mattress, quilted bedspread and matching shams, as well as ample storage, the bedroom is the perfect place to unwind.
The perfect motorhome for the adventurous family, the Greyhawk Sport’s design delivers everything you need to begin having fun. It’s versatile living space gives you ample room for dining, entertaining or sleeping. And the Sport comes equipped with an optional front entertainment center, outside portable barbecue grill and standard central air-conditioning that make it a great partner for just about any adventure that your family can dream up.

1 Featuring a 3-burner range and oven, 8 cubic foot refrigerator, microwave, built-in cutting board and single lever faucet, the Greyhawk Sport’s kitchen is built for efficiency and convenience.

2 Greyhawk Sport’s Dream Dinette™ raises and lowers automatically with ease and converts into a bed.

3 Ample storage, including a large wardrobe and under-bed compartment keeps the bedroom neat while the queen pillow-top mattress and stylish décor create a restful sanctuary.

Unloaded Vehicle Weight (UVW): Sometimes referred to as “Dry Weight.” UVW means the typical weight of this motorhome as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, LP gas, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the UVW plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, LP gas, tools, other cargo and dealer-installed accessories that can be carried by the motorhome. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

VERSATILE DESIGN AND CONSTRUCTION

Greyhawk’s versatility allows you to customize according to your family’s size and needs. The standard heavy-duty 6.8 liter Ford Triton® V10, 305 HP, chassis features a bold, new front-end look to allow for increased air flow, increased GVWR and a revised front suspension system to deliver solid handling.

With the Greyhawk, you can also choose from a variety of sizes and living designs. The Greyhawk affords more room for families, while the Greyhawk Sport is more compact and perfect for the active family.

Distinctive Details
1. Details like the oil-rubbed bronze fixtures give Greyhawk a feel of home.
2. Handcrafted Northridge Maple cabinetry is built to last with screwed stile construction.
3. The Dream Dinette™ easily raises and lowers the table top.
4. Greyhawk’s optional electric patio awning is quick and simple to use and provides a cool, shady place for the outdoors.
5. The front entertainment center option includes a home theater system with Dolby® Digital 5.1 Surround Sound system, 28” LCD HD TV and DVD player.
Greyhawk motorhomes are constructed with high quality materials using production techniques perfected over the past 40 years. Count on yours to look good, perform well for years and provide excellent resale value.

1. Large, lockable storage compartments keep bulky outdoor equipment close at hand but out of sight.
2. Tinted safety glass windows cut down on glare.
3. 1/8" plywood board adds strength to the sidewalls and roof.
4. Our optional Carefree® Eclipse patio awning is quick and easy to use and provides shade for your outdoor gatherings.
5. Bead foam insulation (R-25 max roof, R-9 max floor, R-9 max walls).
7. Aluminum roof frame is welded for excellent stability.
8. Seamless one-piece rubber roof shrugs off rain, reflects heat and reduces noise — plus it comes with a 12-year limited warranty.
9. Central air conditioning.
10. The vinyl ceiling is padded to help deaden sound and provide a quieter interior.
11. Attractive, easy-care carpet helps create a homelike interior.
12. Carpet pad provides enhanced durability and comfort.
13. 3/8" Structurwood® flooring adds another layer of strength.
14. Unitized, 1-1/2" laminated floor puts a firm foundation underfoot.
15. Rubber isolator pucks help make your ride smoother and help reduce road vibrations.
16. TuffShell™ vacuum-bonded laminated sidewalls add heavy-duty performance without heavy weight.
17. Floor trusses under the Greyhawk create more storage space for all your travel needs.
18. Heavy-duty, retractable entrance steps are electric powered for ease of use.
19. Greyhawk’s Ford® chassis include a 130-amp. alternator, 5,000 lb. hitch, 55 gallon fuel tank, Hellwig® helper springs and a Triton 305 HP engine.
20. Molded fiberglass front cap is reinforced and dent resistant.

Jayco proudly sponsors Tread Lightly®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari “flight” in your area, while Jayco or visit our website.

Customer First Roadside Assistance
Travel worry-free in your Greyhawk™ with Jayco’s Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- 24-hour toll-free emergency message service
- Toll-free nationwide service appointment assistance
- Free custom trip routing and full color map service
- Free dispatch of on-site mechanical service
- $1,000 auto theft or hit-and-run reward
- $2,000 trip interruption reimbursement

We Back What We Build.
The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco’s limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.
