Turn your ears on fire with the optional Kicker® subwoofer and amplifier. The Customer Value Package includes an AM/FM stereo, Kicker® speakers, iPod® charger/adapter and Kenwood® CD receiver.
Haul your toys securely with Octane’s rugged garage. Tie-down rings, each rated for 2,500 pounds, keep ATVs, side x sides, motorcycles and other toys secure, while the optional 25-gallon fuel station keeps your toys refueled throughout your road trip. Once you’re settled, the garage transforms into a living room—the perfect place to just kick back.
MIND-BOGGLING VERSATILITY

After a day of burnin’ up the track or bustin’ through rough terrain, Octane ZX’s versatile space evolves to fit your lifestyle. You can raid the refrigerator, play cards, turn on a movie or crash for the night with up to eight of your friends. Octane’s versatility makes it one mind-boggling toy hauler that does far more than just haul toys.

A GREAT YEAR TO BUY

In honor of Jayco’s 40th Anniversary, we’ve added special features to selected 2008 Octane models including an electric awning and a flat screen LCD TV. Ask your Jayco dealer for complete details.
Above: Octane’s durable handcrafted Oak cabinets, residential style sink, three-burner range and convection microwave are perfect for making life on the road more like life at home.

Far left: After a day of playing hard, you can refresh in the Octane’s bathroom.

Middle left: Dual electric queen beds lower over Octane’s storage space to create ample sleeping options. Each bed is rated at 600 lbs.

Left: Seating is abundant and they easily fold-up allowing up to 92” of storage space when on the road.

Jayco proudly sponsors Tread Lightly®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.
1. The radius-cornered ramp door has a weight capacity of 2500 lbs. and is designed for safety.

2. Durable non-slip flooring makes for worry-free trips up and down the ramp.

3. Roof rafters are constructed of strong, residential-style 4-½” trusses.

4. Fiberglass insulation in roof and sidewalls (R-7) helps keep the interior comfortable.

5. 3/16” plywood adds strength to the sidewalls and floor.

6. 3/8” plywood decking in roof construction.

7. One-piece, seamless rubber roof shrugs off the hardest rains, reflects heat and reduces noise.

8. 2” laminate floor contains 3/8” seamless Structurwood® main floor decking and provides a firm foundation.

9. Fiberglass insulation in sidewall and roof construction (R-7)

10. Driveable wheel wells.

11. We simplified the “ins and outs” with a double retractable main entrance steps.

12. .024” aluminum siding.

13. Octane includes several handy storage spaces including an easy access tool compartment located in the floor of the cargo bay.

14. It’s easy to keep your toys securely stowed away with this cam-style ramp door latch with built-in lock.

15. Our tie-down D-rings are each rated for 2,500 pounds and keep your ATVs, motorcycles and other toys stationary during travel.

16. Extend your space with this optional screened in patio room.

17. The optional portable grill conveniently mounts to Octane’s exterior, making grilling out a breeze.

As the originator of numerous motocross tricks and winner of ten X-Games medals, Brian Deegan uses only the best—Jayco ZX—to haul his family and his Honda 250 to his next event. Jayco wishes Brian the best in his efforts to continue radicalizing the sport of motocross freestyle and appreciates his endorsement of the Jayco ZX products.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction.expo affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. The GVWR means the maximum permissible weight of the trailer, including the UVW and the GVWR as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Cargo Carrying Capacity (CCC)

CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than the sum of the UVW and the CCC.

Gross Vehicle Weight Rating (GVWR)

GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Unloaded Vehicle Weight (UVW)

Sometimes referred to as “Dry Weight,” UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Hitch Weight (HW)

The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

- $1,000 auto theft or hit-and-run reward
- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks

WE BACK WHAT WE BUILD

The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco’s limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

Please Note: All information in this brochure is the latest available at the time of publication approval. Jayco reserves the right to make changes and to discontinue models without notice or obligation. Photos in this brochure may show optional equipment or props used for photography purposes. RVs built for sale in Canada may differ to conform to Canadian codes.
