2009 SENECA

MOTORHOMES BY JAYCO
Meet the 2009 Seneca—the spacious and comfortable home away from home that’s powerful and easy to drive. The Seneca’s richly appointed interiors offer the comfort and luxury of an upscale Class A motorhome but with the maneuverability, convenience and price tag of a Class C.
PROTECTION FROM THE ELEMENTS
A seamless one-piece rubber roof covers 5-foot aluminum trusses with bead foam insulation (R-25 max) and vinyl ceiling. This one-piece fiberglass roof offers superior protection from rain, heat and noise.

CONVENIENCE AND COMFORT
Design features such as large lockable storage compartments, tinted safety glass windows, central air conditioning, a Carefree electric patio awning, and electric powered entrance steps make life comfortable and convenient.

A FIRM FOUNDATION
A unitized 1½” laminated frame combines with bead foam insulation (R-9 max), 3/8” one-piece Structurwood® flooring, durable carpet pad and easy-care carpet to create a firm foundation for daily life.

LIGHTEST AND DURABLE
Our Tuffshell™ sidewall construction features a lightweight aluminum frame, efficient bead foam insulation (R-9 max) and ¾” plywood that is vacuum-bonded for superior strength and weight reduction.

POWER FOR THE ROAD
With a 6-speed Allison® Series automatic transmission, 330 HP Duramax® 6.6L diesel engine and 8,000 lb hitch, the Seneca gives you the confidence to tackle mountain passes or tow a vehicle to just about any destination.

PEACE OF MIND
With a 2-year Co-Pilot manufacturer’s limited warranty* and over 300 Jayco dealers throughout North America, our owners enjoy peace of mind.

* For full warranty details, see back cover.
Big on comfort
Tranquility abounds in the Seneca—available in four spacious floorplans that range in size from a 35' single slide to a 37' triple slide. You’ll feel right at home relaxing on the leather hide-a-bed sofa, watching a movie on the 32” TV or kicking back with a novel in the queen size bed. The Seneca is packed with upscale touches like Northridge Maple cabinetry, oil-rubbed bronze cabinet hardware and J-Stone™ solid surface countertops.
The tastefully-decorated bedroom features a queen size bed, halogen reading lights and ample storage. A decorative headboard accents the luxurious comforter and pillow shams.

Cook great meals on the road in the attractive and functional kitchen that’s equipped with a 3-burner range, J-Stone™ solid surface countertops and an optional convection microwave.

Oil-rubbed bronze fixtures, a fiberglass radius shower and rounded glass shower doors add an upscale residential style to the bathroom.
The comfortable-to-drive Seneca allows you to enjoy long drives with fully adjustable recliners, padded fabric headliners, premium CD player and tilt steering wheel.

Don’t forget your toys
With the Seneca ZX, you don’t have to leave your toys at home. The 90" by 96" power lift tailgate provides tons of storage space for a couple of motorcycles or ATVs. After a day of riding, enjoy all the comforts of home—a large 8-cubic foot refrigerator, range, microwave, raised panel cabinets and residential-style doors and hip, comfy interiors.

The industrial-strength power lift tailgate has a 1,600 lb. capacity, making it simple to load your motorcycles or ATVs into the garage with the push of a button.
The Seneca ZX has all the comforts of home, including a large black stainless steel 8-cubic foot refrigerator, range, microwave, raised panel cabinets, residential-style doors and decorator fabrics.

The garage features an impressive 120” x 97” interior cargo dimensions and with 91¼” x 72” cargo door dimensions. Plus, it’s lockable, keeping your prized possessions safe and secure in Seneca ZX’s spacious and functional garage.

The optional electric bed option in the cargo area easily transforms the garage into an extra sleeping area with one queen bed for two people.
TOUGH ENGINE, EASY DRIVING

The Seneca is constructed on a 22,000-pound Chevy™ Kodiak® chassis for maximum cargo carrying capacity. It sports a Duramax® V8 turbo diesel engine with 6-speed Allison® 1000 Series transmission with overdrive, 150-amp alternator and 1000-watt engine block heater. In addition, its 53-degree turning radius and new 19,000-pound rated rear springs provide a smoother ride and easy drivability.
**SENeca HD™**

The Seneca HD is available in two different exterior paint designs: standard or Pewter Cast.

**SENeca ZX™**

The Seneca ZX is available in two different exterior paint designs: standard or Phoenix Red.

- Non-powered Optima Leather passenger-side seat
- Portable outside gas grill
- Power Optima leather driver-side seat
Unloaded Vehicle Weight (UWW): Sometimes referred to as “Dry Weight,” UWW means the typical weight of this motorhome as built at the factory. The UWW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the motorhome, including the UWW plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the motorhome. CCC is equal to or less than GVWR minus UWW. The addition of options will decrease the CCC.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.
We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco’s limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Why a Local Jayco Dealer is Important to You

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to ensure a full product orientation and walk through at the time of delivery. It’s a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when purchasing a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

Customer First Roadside Assistance

Travel worry-free in your Seneca™ with Jayco’s Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full color map service
- Free dispatch of on-site mechanical service
- $2,000 trip interruption reimbursement
- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
