Jay Flight travel trailers sleep up to 10 people and range in length from just over 22 feet to almost 36 feet. The Jayco Jay Flight is towable* by most ½ ton trucks and SUVs and is more popular than ever.

Jay Flight G2 is the second generation of Jayco’s most popular travel trailers and offers more standard amenities than other RVs in its class. The Jay Flight G2 sleeps up to 10 with a length range of 23 feet to almost 34 feet.

More spacious than a traditional travel trailer and less expensive than building on-site, the Bungalow park trailer is ideal for a long-term stay at your favorite spot. The Bungalow offers a variety of floorplans sleeping up to 10 people.

For three years in a row, Jay Flight travel trailers by Jayco have been the top selling travel trailers in North America and Jayco’s top selling RV. Jay Flight’s success can be traced to its durable construction, family-friendly design and numerous amenities—making it an affordable value for a family of any size.
**Built For Liveability**

**Protection from the Elements**
Jay Flight travel trailers and park trailers are constructed with high-quality materials using production techniques perfected over the past 40 years. The seamless one-piece rubber roof ① and .024” aluminum siding ② will keep your Jay Flight looking good for years to come and protect your resale value.

**Designed for Convenience**
Many features on the Jay Flight are designed to make travel more enjoyable and liveable such as an attractive Carefree® electric patio awning ③ (G2 models), easy-care carpet ④ and high-quality carpet pads ⑤ which provide enhanced durability and comfort.

**Value Defined**
The Jay Flight G2 Customer Value Package offers features such as central air conditioning ⑥, ABS tub surround, bathroom power vent, Multi-Media Premium Sound System™ w/DVD, microwave oven with carousel, tub/shower skylight and water heater bypass system (G2 and Bungalow).

**Expandability**
With the push of a button, Jayco’s V-Tec™ flush-floor slideout systems increase living space for added comfort, and liveability. The large, lockable storage compartments ⑦ keep bulky outdoor equipment close at hand but out of sight, and the pass-through design allows easy access to items from either side.

**A Strong Foundation**
The Jayco I-Class™ structural steel chassis frame ⑧ protects against warping, while the R-7 fiberglass insulation ⑨, 2”x3” longitudinal floor joists on 16”-18” centers, and 2” wall studs on 16” centers ⑩ provide the Jay Flight with additional strength.

*Jay Flight models may be towed by most SUVs. Consult with your authorized automobile vehicle manufacturer and vehicle owner’s manual. Certain optional equipment may be required and other restrictions may apply. Do not exceed the recommended towing capacity of your vehicle.
Everything You Need in One Great Choice

With its large selection of floorplans and a variety of options and prices, Jay Flight is the most liveable choice in travel trailers for families of different needs, sizes and destinations. Easy on the budget and on the road, this family friendly travel trailer is the first step to many memorable adventures. The fully equipped kitchen, comfortable furniture and easy-to-care-for floors mean spending less time taking care of your Jay Flight and more time taking care of what’s important.
Relaxation comes easy in the cozy bedroom designed with plenty of storage and a queen innerspring mattress.

Microwave oven with carousel is available with the Customer Value Package.

The pass-through design of the large, lockable storage compartments allows easy access to items from either side.

Little touches make the bathroom a refreshing change from the ordinary, such as the two overhead lighting fixtures, sleek cabinetry and radius shower curtain track.

Jay Flight’s E-Z Lube® axles with removable caps make maintenance a snap.

Pack More Enjoyment Into Every Moment

Perfect for a long week or a quick weekend, the Jay Flight G2 travel trailers come standard with more residential-style features than ever before. Outside of spending quality time with your family, you’ll find that enjoyment will come with all the little things such as new nickel hardware, a wooden message center, overhead cabinetry for extra storage in all super slide models, radius-corners on most kitchen and bathroom countertops, and the J-steel™ convertible sofa.
Pack More Enjoyment Into Every Moment

Cooking is easier thanks to the three-burner range and oversized oven, adjustable temperature control refrigerator and acrylic sink with high-rise faucet.

The Jayco J-Cube™ layout with bunks and entertainment area means everyone can declare their own space and enjoy a little “me” time.

The welcoming bedroom features a 312-coil innerspring queen mattress, beautiful cabinetry and convenient reading lights.

Jayco’s U-Shape dinette gives enough space at meal time or for a round of cards (select models only).
Relax and Stay Awhile

Bring all the comforts of home to your favorite vacation spot with the Jay Flight Bungalow park trailer. With spacious and comfortable living space, the Bungalow is ideal for a long-term summer stay at the lake or in the mountains. More permanent and homelike than a traditional travel trailer, the Jay Flight Bungalow is less expensive than on-site building, allowing you to spend more time and resources on more important things, such as family. With open 40-foot floorplan designs, ample living and storage space, and residential amenities, you’ll feel right at home.
The kitchen includes a residential-style refrigerator, freestanding 4-burner gas range with oven, 30” microwave and a pair of bar stools.

Feel right at home with the 84” living room ceiling height, free-standing dinette table and chairs and the residential-style fireplace.

The 312-coil innerspring pillowtop mattress will ease you into sleep’s sweet slumber.

Residential-style 110V refrigerator provides 18 cu. ft. of storage plus an icemaker.

The medicine cabinet with mirror and custom cabinetry make the bathroom comfortable and pleasant.

Step outside through the wide patio door with vertical blinds.

The 312-coil innerspring pillowtop mattress will ease you into sleep’s sweet slumber.

Longevity is the key to the new JAYCO Heartland.

#### Unloaded Vehicle Weight (UVW):
Sometimes referred to as “Dry Weight.” UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The UVW is equal to or greater than the sum of the UVW and the CCC.

#### Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

IT’S **ALWAYS BEEN ABOUT “LIVEABILITY”**

Lloyd Bontrager went into the RV manufacturing business in 1968 to improve the camping trailer lifter system. He knew that a better lifter system would mean a more “liveable” camping experience for his family and so many others.

More than forty years later, and now the largest family-owned RV manufacturer in the world, this priority still rings true at Jayco. As we work to continue building “America’s Most Liveable RVs,” we do it with one goal in mind—to improve the RV experience and help make “family time” truly memorable.

**Why a Local Jayco Dealer is Important to You**

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to ensure a full product orientation and walkthrough at the time of delivery. It’s a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

**We Back What We Build**

The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco’s limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.
