A surprisingly tight 55-degree turning radius, best-in-class visibility, and improved aerodynamic design make Embark both easy to park and easy to drive.
Unbridled horses.

Power, elegance, comfort and control. They’re all at your command in the 2010 Jayco Embark. Built on a Freightliner® M2 chassis with an 8.3L, 330 HP Cummins® diesel engine, 3200 six-speed Allison® automatic transmission and 10-ton towing capacity, our top-of-the-line Class C Embark has power to spare, while its interior boasts an unrivaled level of luxury and sophistication that guarantees your trip will be as smooth and easy as the destination. After all, you’ve worked hard to reach this point in your life. Now, it’s time to sit back and enjoy the ride.

SMOOTH
ABS air brakes, alloy wheels, Michelin® tires, Sachs® shocks and a 12,000-lb. rated front axle with taper-leaf suspension combine for a smoother ride and improved braking.

POWERFUL
Ten tons of towing capacity is backed up by a 20,000-lb. hitch and 23,000-lb. rear axle with airliner suspension to make hauling even the heaviest loads effortless.

A TRADITION OF LIVEABILITY
Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we’re the world’s largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.
Life is Good.

Luxurious touches abound throughout Embark’s lavish interior. A 32” HDTV, solid maple hardwood cabinetry with raised-panel doors, decorative lighting, plush carpeting, an Optima leather hide-a-bed sofa and a choice of two classic décors make it easy to forget you’re in a motorhome and not at a five-star hotel.

Stylish

The kitchen features Corian® solid-surface countertops, a recessed three-burner range and a stainless-steel microwave/convection oven.

Luxurious

Tasteful touches include a queen bed with pillowtop mattress, a designer bedspread, halogen reading lights and a large wardrobe.

Refined

Embark’s elegant bathroom boasts a skylight, fiberglass radius shower enclosure, residential laminate tile floor and large sink.
Jayco construction

At Jayco, we’ve built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products reliable resale value and our owners peace of mind.

Jayco craftsmanship

Jayco’s dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations.

Jayco liveability

COMFORTABLY DRIVEN
You’re always in control with Embark’s back-up camera, monitor, and GPS navigation system.

ENTERTAIN ANYWHERE
Embark comes equipped with an outside entertainment center that features an AM/FM/CD/DVD stereo and 32” LCD HDTV.

COMMAND CENTER
Operate all your generator, air conditioning and slide-out functions from one convenient interior location.

DRAWER GUIDES
New ball bearing drawer guides provide smooth operation and full-drawer extension.

STAY COOL
Central air conditioning and a Carefree® electric roof-mount patio awning make it easy to stay cool both inside and out.

FLOOR
Vacuum bonding joins our aluminum frame with a heavy-duty Structurwood® floorboard to create one of the strongest foundations in the industry.

WALLS
TuffShell™ vacuum bonding combined with welded aluminum frames and metal backers create a durable structure designed to withstand use and travel.

ROOF
The laminated, vacuum-bonded roof is comprised of 1/4” plywood decking on 5” arched welded aluminum trusses with bead-foam insulation (R-23) and a seamless fiberglass shield that protects against moisture and resists aging.
Specifications

**STANDARD BATHROOM EQUIPMENT**

**Gross Vehicle Weight Rating (GVWR)**: GVWR means the maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UWV) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWV and the Cargo Carrying Capacity.

**Gross Combined Weight Rating (GCWR)**: The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle.

It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements.

www.jayco.com
The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco’s limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It’s a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

Travel worry-free with Jayco’s Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- $2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari “flight” in your area, write Jayco or visit our website.
