2010 SENECA
Great Explorer
Seneca’s Duramax® VB turbo diesel engine, six-speed Allison® 1000 Series transmission with overdrive, 150-amp alternator and 1,000-watt engine block heater will never leave you stranded.
Whether the kids are grown up yet or not, family time will always be important. Fortunately, the spacious, comfortable and easy-to-drive Seneca makes hitting the road and visiting with family easier than ever before. Seneca’s powerful engine offers unbeatable carrying capacity, while its distinctive and tastefully decorated interior rivals the best hotels. You’ll enjoy every minute spent in your new Seneca.
BIG ON COMFORT. BIGGER ON SAVINGS.

With Northridge Maple raised-panel cabinetry, oil-rubbed bronze cabinet hardware, J-Stone® solid-surface countertops and interior halogen recessed ceiling lights throughout, Seneca’s lavish interior offers the comfort and luxury of an upscale Class A motorhome, for the price of a Class C.

SPACIOUS

There’s no chance of getting in each other’s way in Seneca’s roomy living area, with comfortable dinette and leather hide-a-bed sofa.

CHARMING

Seneca’s tastefully designed bedroom features a decorative headboard, contemporary cabinetry, color-coordinated fabrics and ample storage.

PEACEFUL

A rounded glass shower door, medicine cabinet with mirror and residential linoleum floor are just a few of the bathroom’s home-like touches.
Jayco construction

At Jayco, we’ve built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

---

**FLOOR**
Vacuum bonding joins our welded aluminum frame with a heavy-duty Structur-wood® floorboard to create one of the strongest foundations in the industry.

**WALLS**
TuffShell™ vacuum bonding combines with welded aluminum frames and metal backers, creating a durable structure designed to withstand use and travel.

**ROOF**
The laminated, vacuum-bonded roof is comprised of ¾” plywood decking on 5” arched aluminum trusses with bead-foam insulation (R-23) and a seamless fiberglass shield that protects against moisture and resists aging.

---

Jayco craftsmanship

Jayco’s dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations.

---

**Jayco liveability**

**DRAWER GUIDES**
New ball bearing drawer guides provide smooth operation and full-drawer extension.

**HDTVs**
The living area boasts an impressive 32” LCD HDTV, while the bedroom features a 22” LCD HDTV.

**BACK-UP MONITOR**
The in-dash built-in back-up color camera, monitor and optional in-dash navigation system add an extra layer of safety.

**STAY COOL**
Central air conditioning and a Carefree® 12V Eclipse™ electric patio awning make it easy to stay cool both inside and out.

**Gross Vehicle Weight Rating (GVWR)**

- GVWR means the maximum permissible weight of the motorhome, including the unloaded Vehicle weight (UVW) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the Cargo Capacity Capability. It is important for your safety and enjoyment that you are aware of the weight and total weight of the RV you are using. Consult the weight label before you leave on your trip. Refer to the weight label to verify the vehicle will meet your requirements.

---

**Gross Combined Weight Rating (GCWR)**

- GCWR is the maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle. It is important for your safety and enjoyment that you are aware of the weight and total weight of the RV you are using. Consult the weight label before you leave on your trip. Refer to the weight label to verify the vehicle will meet your requirements.

---

**Options**

- Option A
- Option B
- Option C

---

**Weight Information**

- It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to the label to verify the vehicle will meet your requirements.
The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco’s limited warranty is not transferable.

Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It’s a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

Jayco proudly sponsors Tread Lightly®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari “flight” in your area, write Jayco or visit our website.

Travel worry-free with Jayco’s Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
