2010 DESIGNER
Traveling Companion

AMERICA'S MOST LIVEABLE RVs.

Fifth Wheels by Jayco
Luxurious
An oversized sofa, Cloud Ten™ pillowtop mattress, optional Optima leather matching recliners and Provincial Glazed Maple hardwood cabinetry combine to put Designer in a class by itself.
effiCienT extend the camping season with our Polar Barrier™ thermal insulation package. Designed for efficient heating and cooling, Polar Barrier™ protects against freezing, even when temperatures drop as low as 0°F (-17°C).

DurABLe With its TuffShell™ vacuum-bonded laminated sidewalls, one-piece seamless rubber roof and I-Class™ cambered structural steel I-Beam frames, your Designer is built to tackle the elements in style.

Just because you can afford to spend more on a luxury fifth wheel doesn’t mean you should. The 2010 Jayco Designer offers everything you’d expect to find in a high-end fifth wheel, but for less than you’d expect to spend. Created as a luxury suite on wheels, the Designer is ideal for extended stays, long trips or winters in sunnier climates. Because at Jayco, we believe the best things in life shouldn’t cost the most.

A TRADITION OF LIVEABILITY
Starting with our first lifter system in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we’re the world’s largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

www.jayco.com
For 2010, we took everything you love about the Designer and made it even better. The new Designer features spacious slideouts, well-designed living spaces, a high-end kitchen with DuPont® Corian® countertops and sleeping for up to six adults, making it the first fifth wheel designed to satisfy all your senses.

At the end of a long day, retire to your private retreat, complete with a Cloud Ten™ pillowtop mattress and a 22" LCD HDTV television in the bedroom.

A roomy radius shower, an adjustable shower head, glass shower door and skylight are just a few of the bathroom highlights.
Jayco construction

At Jayco, we’ve built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products reliable resale value and our owners peace of mind.

**FLOOR**
A ¼” tongue-and-groove plywood deck on a welded aluminum frame, together with fiberglass and foil insulation (R-22) and a Poly-Flex™ covering, create one of the strongest foundations in the industry.

**WALLS**
TuffShell™ vacuum-bonded lamination combined with welded aluminum frames and metal backers create a durable structure designed to withstand use and travel.

**ROOF**
The laminated, vacuum-bonded roof is comprised of ¼” plywood decking on 5” arched aluminum trusses with bead-foam insulation (R-21) and a seamless rubber shield that protects against moisture and resists aging.

**BALL BEARING DRAWER GUIDES**
Our new residential-style ball bearing drawer guides provide smooth operation and full drawer extension for a stronger, more substantial drawer and a true home-like feel.

**POLAR BARRIER**
Our exclusive Polar Barrier™ thermal insulation package lets you extend the camping season by providing protection against freezing (temperatures as low as 0°F or -17°C), greatly increasing your options for winter travel destinations.

Jayco craftsmanship

Jayco’s dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstress who produce our upholstery, bedding and draperies with great attention to detail.

Jayco liveability

At Jayco, it’s always been about liveability.

**STOR-GALORE™ BASEMENT STORAGE**
Keep your gear safe, dry and out of the way in our exclusive, easy-access storage area with four tie-down rings.

**HEATED, ENCLOSED UNDERBELLY**
The weather outside may be frightful, but inside it’s always warm and comfy.

**FIREPLACE**
An optional 5,100-BTU electric fireplace gives your living room a cozy ambiance.

**HDTVs**
The living area boasts an impressive 32” LCD HDTV, while the bedroom features a 22” LCD HDTV.

**PATIO AWNING**
Extend your living space even farther with the optional Carefree® Travel'r™ 12-volt electric patio awning.

**COUNTERTOPS**
DuPont® Corian® countertops with a high-gloss finish and bullnose edging add elegance and durability.

Tuffshell™ vacuum-bonded laminated sidewalls

Customer Value Package

Canadian standards

Central vacuum system

Decorative fascia board

Hitch Weight (HW): The Hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than the GVWR minus UW. The addition of options will decrease the CCC.

Unloaded Vehicle Weight (UW): Sometimes referred to as “Dry Weight.” UW means the typical weight of this trailer as built at the factory. The UW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UW plus passengers, personal items, all cargo, fluids, options, and dealer installed accessories. The GVWR is equal to or greater than the sum of the UW and the CCC.

2 YEAR WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco’s limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

300 JAYCO DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. Jayco dealers are required to deliver all products at the site of the sale to ensure a full product orientation and walkthrough at the time of delivery. It’s a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1 YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco’s Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

• Free jump starts
• Free tire changes
• Free fuel delivery
