The RV for people

EXPANDABLE
With the simple push of a button, Jayco’s flushfloor slideout system dramatically increases your interior square footage for added comfort, liveability and space.
You’re no stranger to the RV lifestyle. You know what you’re looking for in your next RV. And what you’re not. That’s why you’re looking at the Jayco Eagle. Whether you choose the travel trailer, fifth wheel or one of our super lite versions, you’ll find the Eagle offers more high-end features than the competition, at a much more affordable price. And that makes Eagle the smart choice for those looking to break away from ordinary RVing, without breaking the bank.

**DURABLE**
An I-Class™ structural steel chassis frame, TuffShell™ vacuum-bonded laminated sidewalls, and a seamless rubber roof provide additional strength and durability.

**COMFORTABLE**
Available on the Eagle Fifth Wheel, our Polar Barrier™ thermal insulation package is designed for efficient heating and cooling, and protects against freezing, even when temperatures drop as low as 0°F (-17°C).

**A TRADITION OF LIVEABILITY**
Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we’re the world’s largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.
Enjoy the moment.

Cherry-stained burnished cabinetry, rustic plank-style flooring, Corian® countertops, a stainless steel kitchen sink and range, and name-brand amenities are just a few reasons why you’ll fall in love with the Eagle Fifth Wheel’s Premier Interior Package. After all, you’re going to be spending a lot of time in whatever you buy. With an Eagle, it’s guaranteed to be time well spent.
REFRESH
With a lighted mirror (in select models), skylight, medicine cabinet and shower, the bathroom is a welcome retreat.

SPACIOUS
Eagle’s well-designed floorplans ensure there’s plenty of room for everyone to spread out and relax.

MODERN
The kitchen includes a three-burner stove, lighted range hood, residential style sink and plenty of storage.
The smart way to move up.

Take your Eagle to the next level of liveability with a variety of options, including our Customer Value Package, which offers amenities such as a 13,500-BTU or 15,000-BTU central air conditioner, Multi-Media Premium Sound System™, microwave oven with carousel, electric patio awning and a bathroom power vent. With four luxurious series, including two super lites, and 21 floorplans to choose from, there’s bound to be a combination that sets your pulse racing.

Jayco construction

At Jayco, we’ve built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

**FLOOR**
A ½” tongue-and-groove plywood deck on 2” x 3” floor joists, together with fiberglass and foil insulation (R-24) and a Poly Flex™ covering, creates one of the strongest foundations in the industry. (Eagle Fifth Wheel only.)

*All other Eagles feature laminated aluminum frame floor construction.

**WALLS**
TuffShell™ vacuum-bonded lamination combines with welded aluminum frames and metal backers, creating a durable structure designed to withstand use and travel.

**ROOF**
The laminated, vacuum-bonded roof is topped off with ⅛” plywood decking on 5” arched aluminum trusses with bead-foam insulation (R-21) and a seamless rubber shield that protects against moisture and resists aging. (Eagle Fifth Wheel only.)

*All other Eagles feature 4-½” wood rafters and R-7 fiberglass insulation.

Jayco craftsmanship

Jayco’s dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies with great attention to detail.

**BALL BEARING DRAWER GUIDES**
Our new residential-style ball bearing drawer guides provide smooth operation and full-drawer extension for a stronger, more substantial drawer and a true home-like feel.

**POLAR BARRIER**
Our exclusive Polar Barrier™ thermal insulation package lets you extend the camping season by providing protection against freezing (temperatures as low as 0°F or -17°C), greatly increasing your options for winter travel destinations. (Eagle Fifth Wheel only.)

Jayco liveability

At Jayco, it’s always been about liveability.

**PATIO AWNING**
Extend your living space more conveniently with the optional Carefree® Travel'r™ 12-volt electric patio awning.

**HEATED, ENCLOSED UNDERBELLY**
The weather outside may be frightful, but inside it’s always warm and comfy.

**OPTIONAL REMOTE KEY FOB**
Control your front landing jacks, patio awning, patio lights and all slideouts. (Eagle Fifth Wheel only.)

**DREAM DINETTE™**
The Dream Dinette™ easily raises and lowers your dinette table top, while the optional extendable dinette adds a 12” leaf and support leg.

**SHORT-BED TOWING**
Available on the Eagle Super Lite Fifth Wheel, the Reese® Sidewinder eliminates the need for a slider and lets you make tight turns with ease.

**AMPLE STORAGE**
Innovative storage options include space under the bed base, an exterior pass-through area and plenty of drawers and cabinets.

### Unloadable Vehicle Weight (UVW)

Sometimes referred to as “Dry Weight.” UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

### Gross Vehicle Weight Rating (GVWR)

GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fresh water, propane, options or dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

### Cargo Carrying Capacity (CCC)

CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

### Hitch Weight (HWW)

The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.
