TRUE VALUE OF OWNERSHIP

With Jayco, you get more amenities, more liveable, home-like features and superior construction for better durability and greater resale value. Simply put, you won’t find another RV packed with more TRUE VALUE — from the time of purchase to the time you sell.

+ 2-year warranty
+ more standard features
+ more brand-name components
+ less maintenance
+ better resale value

True Value of Jayco Ownership

Learn more about Jayco’s True Value by finding the blue arrows throughout this brochure.

CERTIFIED GREEN

All Jayco products are green certified by TRA Certification Inc., an independent, third-party certification agency. Greyhawk earned gold certification through the use of sustainable materials, environmentally-friendly production methods, energy-efficient components and reduction of waste.

WARRANTY

WE BACK OUR PRODUCTS FOR 2 YEARS. ASK OUR COMPETITION WHY THEY DON’T.

You want your RV to last a long time. And nobody backs their RVs better than we do. Our exclusive two-year Co-Pilot Warranty is the best in the business and provides assurance that you’ll enjoy your purchase for many years.
Liveability meets Opportunity

The decision to purchase a new motorhome has never been easier, thanks to the best-in-class Jayco Greyhawk. Powerful, durable and extremely liveable, Greyhawk delivers the best value on the road today, with more high-end features and amenities than anything in its price range. Give yourself the freedom to go whenever and wherever you want, because with Greyhawk, you’ll be as comfortable on the road as you are off it.

Practically amazing.

SEAMLESS FRONT CAP
Greyhawk’s aerodynamic front cap design reduces drag, helping you increase gas mileage and save money.

DURABLE CONSTRUCTION
The elements don’t stand a chance against Greyhawk’s TuffShell vacuum-bonded laminated sidewalls with a welded aluminum frame core.

MEGA STORAGE
Greyhawk’s large, pass-through storage makes it easy to haul a bunch of gear.
Greyhawk

CONTROL
You’ll always feel in control behind the wheel thanks to Greyhawk’s extremely reliable Triton 6.8L EFI V-10 305 HP engine, power anti-lock brakes and power steering. And with a five-speed Torqueshift automatic transmission, usually only found in Class A motorhomes, and a 5,000-lb. rated hitch, Greyhawk makes towing effortless.

SAFETY
With safety as a top priority, Jayco includes a seat belt for every built-in seating position.

REAR CAMERA
Backing up just got easier—and safer—thanks to Greyhawk’s back-up camera.

LIVEABLE FEATURES
Every Jayco comes packed with features and amenities designed to make your life easier and family time more enjoyable.
INSIDE ENGINEERING

Much of what gives a Jayco its reputation for durability and strength is inside the walls and under the chassis. The Greyhawk features 1. an aerodynamic seamless front cap, 2. a Ford E-450 chassis with a Triton V-10 305 HP engine, 3. a powered double entry step system, 4. a spacious 84” interior height, 5. a chassis vibration isolation system, 6. padded ceiling for sound absorption and 7. Hellwig helper springs.

FLOOR
Vacuum-bonded lamination joins our welded aluminum frame with a heavy-duty Structurwood floorboard and seat belt backers to create one of the industry’s strongest foundations.

WALLS
TuffShell vacuum-bonded lamination combines welded aluminum framing with high-gloss fiberglass exterior siding to create a durable structure designed to withstand many years of use and travel.

ROOF
The laminated, vacuum-bonded roof is comprised of ¼” plywood decking on 4” arched aluminum trusses with bead-foam insulation (R-15) and a seamless rubber membrane that protects against moisture and resists aging.

Industry-Leading Warranty
The Jayco Co-Pilot Warranty is a manufacturer’s limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco’s limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers’ warranties. You’ll find it’s the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

Over 300 Local Dealers
Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It’s a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1-Year Roadsider Assistance
Travel worry-free with Jayco’s Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

• Free jump starts
• Free tire changes
• Free fuel delivery
• Free lockout service
• Free travelers checks
• Toll-free nationwide service appointment assistance
• 24-hour toll-free emergency message service
• Free custom trip routing and full-color map service
• Free dispatch of on-site mechanical service
• $2,000 trip-interruption reimbursement
• RV technical assistance hotline
• Free towing to nearest qualified service

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

JayPlus

Your Jayco Dealer

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

Gross Vehicle Weight Rating (GVWR): The maximum permissible weight of the motorhome, including the Unloaded Vehicle Weight (UWV) plus passengers, personal items, all cargo, fluids, options and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWV and the Cargo Carrying Capacity.

Gross Combined Weight Rating (GCWR): The maximum allowable combined weight of the motorhome used as a tow vehicle and the attached towed vehicle. It is important for your safety and enjoyment that you are aware of the weights and tow ratings of the RV you select. Consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your RV before heading out on the roadways. When you tow a vehicle with your RV, you must drive differently than when you drive a single vehicle. Practice backing up, driving, hooking up and towing in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. Refer to that label to verify the vehicle will meet your requirements. See specifications chart inside.
