Lightweight Luxury. The 2001 Laredo Fifth Wheel.

Redefining the mid-profile fifth wheel, the Laredo 27RLD features the only galley slide-out kitchen in its class. EasyGlider slide-out engineering ensures that the slideout floor is flush with the coach floor.

Introducing Laredo,

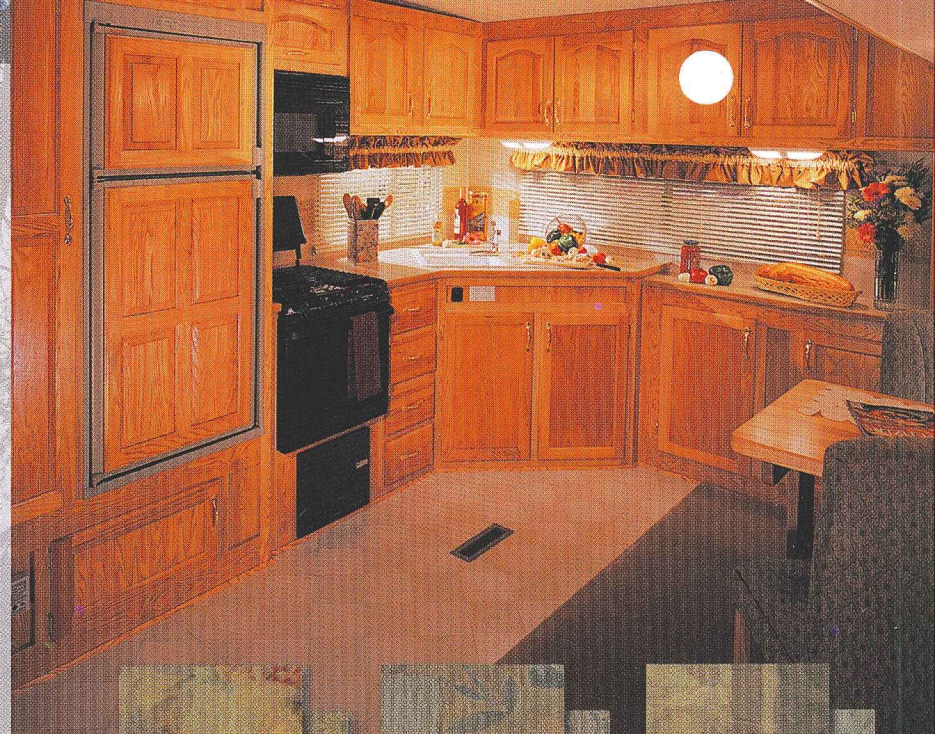

a spacious Fifth Wheel with the features and livability previously offered only in larger high-profile models. Laredo's revolutionary design incorporates pass-thru storage, generous headroom and innovative floorplans while maintaining a mid-profile for lighter weight and ease of towing.

The top swatch is the main fabric for sofas; the bottom swatch is the chair and accent fabric.

Lite-weight aluminum framing and laminated fiberglass sidewalls make Laredo an easy load for today's heavy 1/2 ton and light 3/4 ton trucks.

Enjoy beautiful lighting and a wide-open view of the great outdoors from inside your Laredo, thanks to the panoramic rear living room bay windows in the 25RL, 27RL and 27RLD.
