The Mid-Sized Fifth Wheel That Balances  
Interior Beauty and Convenience with Ease of Towing...

Life is easy in this Laredo 27 RL floor plan, shown here in Indian Summer, one of the three color schemes we offer. There's a special Laredo mood to it all...special due to touches like the residential upholstery styling, ceramic-look floor, the rich all-wood cabinetry and details like the decorator wallpaper borders. There's a special Laredo feeling you'll experience as well...special because of the airy, relaxing rear lounge area, ample headroom and storage space, rich, plush carpeting and beautiful lighting accents.

# Laredo Balance Means...

Blending ease of towing with tastefully styled interiors for a completely carefree RVing experience. Towing the Laredo, you'll immediately recognize the benefits of our aluminum construction and aerodynamic exterior profile.
