

Laredo

2004

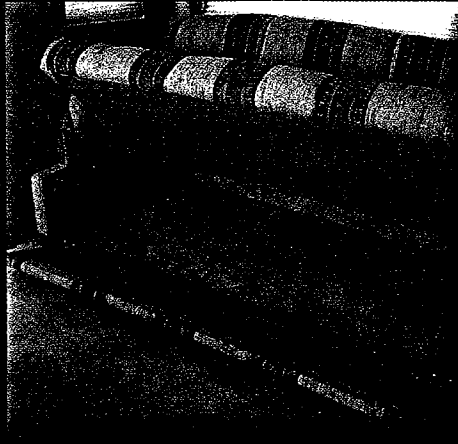

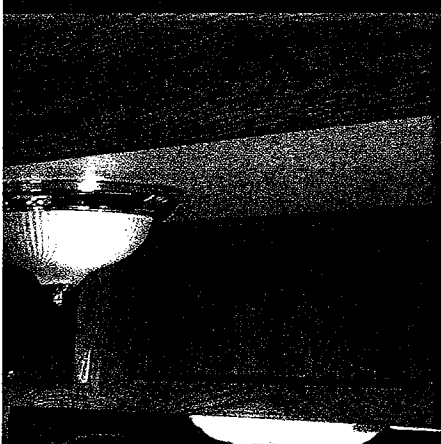

when there are no limitations...

A black and white photograph showing the interior of a motorhome. On the left, there is a large sofa with several pillows. In the center, a table is partially visible. On the right, there is a dining area with a table and chairs. Large windows run along the back wall, and a skylight is on the ceiling. The overall atmosphere is bright and spacious.

Laredo

As one of America's most popular brands, you will see why the Laredo appeals to the senses, with classic and timeless styling. From the balanced colors, the open interiors and the rich fresco washed walls, to the customer influenced room layouts...Laredo will satisfy the most discriminating and experienced RVers.

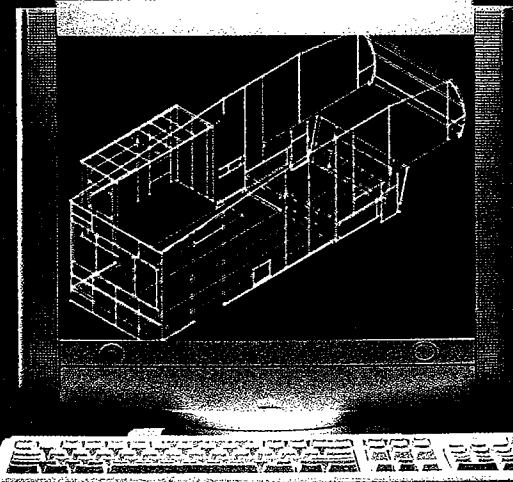

NEW! Laredo's innovative indoor/outdoor rotating entertainment center! Enjoy watching your favorite sporting events, car races or movies while outside with family and friends!!! Available on the 29 GR

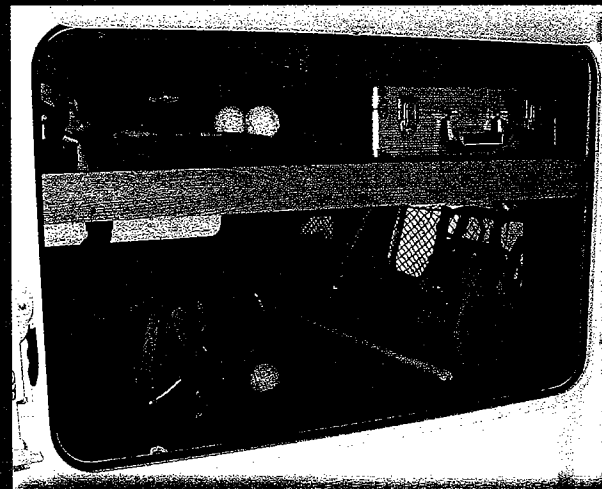

A NEW Laredo exclusive; the "easy-store" jack-knife sofa sleeper boasts the most accessible and expansive interior storage of any RV.

Engineers have used today's most advanced technology to design Laredo's exclusive Pentagonal Aluminum Frame™ that creates:

- Lighter Weight
- Straighter Walls
- More aluminum for Strength and Towability

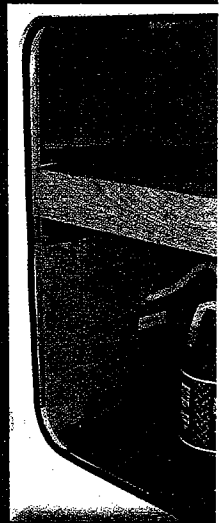

Actual CAD Drawing of Laredo Fifth Wheel

Convenience and function drives every Laredo innovation and feature. Laredo's 4-Way-Entry Basement Storage allows the most camper friendly access ever—including 3 exterior doors and one inside!

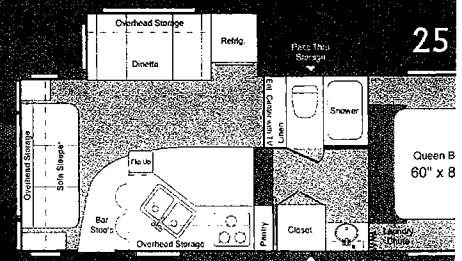

Winterizing your Laredo will only take minutes. Turn a valve and press a button... with that ease, your Laredo is ready for winter.

Winter Guard

THERMA SHIELD
TANK ENCLOSURE
-ENCLOSED-INSULATED-HEATED-HOLDING TANKS-

Therma Shield Tank Enclosure is a new advancement to keep your termination valves and holding tanks enclosed, insulated, and heated.
