Beyond Your Home...
Experience COUGAR

The Perfect Blend of Towabilit
Laminated Fiberglass Exteriors,
Residential Quality Interiors and
Aluminum Construction
Expansive, cozy, relaxing...

Three words to describe the 2005 line of Cougar fifth wheel and travel trailers.

The time is now to experience the true luxury of seeing the country, literally from your own living room. Family and friends both will love to join you for the journey of a lifetime. Your eyes will treasure the views as your world expands with Cougar.

For example, you'll love the residential atmosphere of Cougar's side lounge floor plan shown here in the 290 GPS fifth wheel.

Come into the world of modern RVing with our advanced line of Cougar fifth wheels and travel trailers, engineered for towability. With its aerodynamic front profile, lower center of gravity, and aluminum construction, Cougar has an established reputation for its sleek look and ease of towing.
Relax in style...

Choose from any of these warm and inviting color schemes.
Whether relaxing by a serene mountain valley, a quiet lakeside retreat, or wherever you decide to go, the Cougar boasts superior interior design, dozens of user-friendly features, and remarkable storage space, bringing you total relaxation as you travel in style, while exploring the countryside.
