The Energy 280LSAB in Tropic Decor. The custom sport furniture is sure to appeal to any toy hauler enthusiast. Energy’s flexible “U” Shaped dinette comfortably accommodates six adults. All Energy kitchens come loaded with a microwave, full size double door refrigerator, range and oven.

The “U” shape dinette also quickly converts into roomy sleeping quarters. With a simple push of a button, the dinette stows not to interfere with the wide body toy storage area.

The Energy 280LSAB bathroom shower has a decorative glass enclosure, medicine cabinet, as well as storage drawers.

Energy models 236LFS and 280LSAB have a front sleeping area with a 60 x 80 bed, a cabinet for hanging clothes and overhead cabinet storage.
Energy’s “Wide Body Loading Zone” eliminates wheel wells inside of the toy hauler allowing for larger storage area.
