*Sydney Super-Lite utilizes laminated aluminum floors, 15" tires and galvanized steel rafters, 1 1/2" welded aluminum sidewalls.
Oversized pass through storage gives you room for all your camping supplies. (325 FRE shown here)

Notice the 6' 2" ceiling height in the living room slides. The higher slide height means easier access and larger cabinets for storage. The glass mullion cabinet doors offer an elegant touch. (N/A Sydney Super-Lites)

Corian countertops provide a rich look and durability not found in many of the solid surface countertops used by competitors. (N/A Sydney Super-Lites)

Sydney’s Utility Center encloses all exterior system controls in one convenient location. (N/A Sydney Super-Lite)

Sydney’s Air Vent cover in the bathroom provides ventilation during inclement weather and in storage.

Experience the convenience of full extension drawer glides on all kitchen and bedroom drawers.

Standard with Sydney’s mid profile floor plans are 50 amp electrical service, detachable chord and wiring and prep for a 2nd air conditioner. (N/A Sydney Super-Lites)

Sydney’s heated underbelly encloses tanks and valves helps extend the camping season, increase interior storage and provide better tow ability.

Turning radius is improved more than 30% with the most aerodynamic front fiberglass cap in the industry.

Sydney’s black tank flush makes cleaning the tank simple!

The Equa-Flex rubber equalizer system completes the task of keeping road shock where it belongs.
