Look around and find yourself surrounded by the finer things such as upscale light fixtures, solid hardwood hickory cabinets, and plush residential carpeting with thick rebond padding.
After 11 consecutive years as the best selling fifth wheel brand in America, Montana continues to provide unmatched quality, luxury and livability. Eleven lavish models provide floor plan flexibility while the list of standard equipment and luxury enhancements seems endless.

Montana living quarters provide unparalleled spaciousness with the innovative arched roof and 6’6” tall main slide rooms. Leading the way are the new wall hugger recliners and 72” residential sofa, available in beautiful heavy grade fabric or optional leather. From here you can immerse yourself in the stunning clarity of the high definition LCD television and home theater system with true 5.1 Dolby Digital surround sound. Most models also offer a computer work station with an optional desk chair that quickly converts into a handy step ladder.
EXPERIENCED RVERS KNOW WHAT THEY WANT IN A FIFTH WHEEL.
The new 3582 RL offers storage solutions you would not think possible in a triple slide fifth wheel thanks to opposing full wall slide-outs and a free standing kitchen island.

The countertops are the showpiece of any great kitchen and here you’ll find stunning solid surface countertops with matching sink covers and deep full sized sinks. Other favorite features include the molded cutting board and dish strainer inserts, a single lever pull out sprayer faucet and tip out drawer for brushes and sponges.

This upscale look is further enhanced by stylish backsplash behind the range and elegant 5" oil rubbed bronze cabinet and drawer pulls...large enough to fit your whole hand, just like at home. Full extension steel roller bearing drawer guides allow the rear of every drawer to extend beyond the countertop for easy access.

Amidst all the visual appeal, you will find the appliances you need to prepare your favorite meals, including a 30” over-the-range microwave/convection oven, 22” gas oven and a three burner range top with an exterior vented range hood. Of course, the optional four door, 12 cubic foot refrigerator is available on most models.
When nothing sounds better than a relaxing evening at home, look no further than the Montana bedroom suites. The deep bedroom slide-out provides ample walk space at the foot of the bed while the arched roof provides up to 6’8” interior ceiling height. The deep, cedar lined closet will keep your clothes fresh on the longest trips. Whether you prefer a queen or king sized bed, Montana has you covered with bedside night stands, reading lights and electrical outlets.

The Montana bathroom features a residential solid surface bathroom vanity top with oversized molded sink and single lever faucet. The large medicine cabinet over the vanity has a custom three bulb light to provide the final decorative and functional touches.
BIG SKY PACKAGE

BIG SKY PACKAGE ITEMS:
FULL BODY PAINT • “G” RANGE RADIAL TIRES • SIX POINT AUTO HYDRAULIC LEVELING
RADIUS FIBERGLASS SHOWER • METAL WRAPPED AWNING

SIX POINT AUTOMATIC HYDRAULIC LEVELING SYSTEM

---

**Max Turn Technology Turning Radius**

Max Turn Technology features an integrated frame and front cap design allows for an industry best short bed truck to fifth wheel angle because the front rail of the Montana frame is curved to provide more turning radius, making a 90 degree turn no problem.

The industry leader in four season fifth wheel capabilities, Montana has been tested and approved for zero degree usage since 2005.

Radiant technology insulation and a layer of fiberglass insulation provide the equivalent of R-38 roof insulation. Unlike conventional fifth wheel roofs that taper down to 2" thick at the sidewall, Montana’s arched roof provides consistent 5" thick roof insulation across the entire span from sidewall to sidewall.

The Montana sidewalls are laminated with R-9 solid block foam insulation.

The floor is insulated with a layer of heat reflective Astro-Foil plus a layer of fiberglass insulation equaling an R-21 value. Most importantly, the water lines are installed between the floor joists, near the heat duct and above all of the insulation and the heated underbelly.

The holding tanks and dump valves are completely enclosed, insulated and heated.

The low point drains are enclosed in the heated exterior convenience center.

The new “Quiet Cool” air conditioning system feeds cool air directly into the ductwork system for increased air flow while warm air is returned through a separate ductwork system to be vented outside. This residential system keeps noise and vibration away from the living quarters for quiet, cool comfort.

The optional second air conditioner is ducted and is controlled by the dual zone, digital thermostat. A remote sensor monitors the bedroom temperature.

Montana’s vented attic provides vital escape routes for unwanted interior moisture that accumulates during four season usage.
STANDARD FEATURES:
- NEW Automotive finish high gloss gel coated fiberglass exterior
- NEW Fantastic fan in kitchen or living room
- NEW 30" Over-The-Range convection/microwave oven with range hood
- Drawer under refrigerator (Models 3100, 3400, 3402, 3455, 3625, 3700, 3800)
- Heavy duty wet bolt kit with bronze bushings and 1/2" shock links
- Wire and frame for ducted 2nd A/C with remote sensor and dual zone thermostat
- Cedar lined front closet
- Arched stamped steel roof rafters
- FM/CD/DVD home entertainment system with 5.1 surround sound and HDMI cable connection
- 90 AMP Intell-Power 4500 converter with 50 amp service
- Fully lit control center
- 35,000 BTU furnace with auto ignition and high capacity in line heating system
- 66 gallon fresh water capacity
- Four step entry
- Generation II exterior remote system

MOVING TO MONTANA PACKAGE:
- Queen (60 by 80-inch) mattress
- Two cloth wall hugger recliners
- Cloth air-mattress hide-a-bed-sofa w/electric pump
- Central exterior water and convenience center
- Dexter E-Z Lube axles with self adjusting brakes
- MOR/ryde® LRE/4000 rubber suspension system
- Goodyear tires on 16" Aluminum wheels with 8 lug nuts
- Arctic Insulation Package
- Vented attic system
- Deep tint safety glass windows
- 15,000 BTU air conditioner with "Quiet Cool" system
- Washer/dryer prep
- Hidden safe
- Dual reading lights over the bed
- Ceiling fan with light kit
- Flush mounted solid surface range cover
- Two flush mount kitchen sink covers
- Flush mount cutting board and dish strainer
- Rear accessory hitch
- Individual selector valves for slide outs
- Welded, aluminum framed walls, floors, end caps and slide-outs
- R-9 laminated sidewalls with dual layered j laminar
- HD Digital TV antenna with booster
- Solid hardwood raised panel refrigerator front
- Deluxe porcelain toilet

HICKORY EDITION PACKAGE:
- Slam latch pass thru storage compartment doors with gas struts
- Enormous drop frame pass thru storage compartment
- Max Turn front cap and radius frame with Hitch Vision (TM)
- Radius rear cap with back-up lights
- Radiant technology roof, slide-out roof and front cap insulation (R-38 total)
- Extended length rotating sewer boom (not available 3750)
- Hickory cabinet doors and drawers
- Hickory stiles, and panels and crown molding
- Solid hardwood slide out fascia
- Solid surface kitchen counter tops
- Solid surface bathroom lavatory top
- Seamless underbelly enclosure
- Free standing dinette with swiveling top, slide, extension and storage
- 32-inch HD LCD TV with pull out tray (3000, 3100, 3150, 3400, 3402)
- 40-inch HD LCD TV (3455, 3682, 3625, 3700, 3750, 3800)
- 19" bedroom HD LCD TV
- Automatic entry light
- 12 gallon DSL gas/electric water heater
- 50 gallon black tank capacity
- 93 gallon gray tank capacity

OPTIONS:
- MOR/ryde® hitch pin (Mandatory option on 3700, 3750, 3800)
- Dual pane safety glass windows
- Slide-out Awning Package
- 6-Point hydraulic auto-leveling system
- King size bed
- End table and lamp
- Sofa table
- High back desk chair with fold over step ladder
- 1st Leather wall hugger recliner
- 2nd Leather wall hugger recliner
- Leather air mattress hide-a-bed sofa w/electric pump
- Booth dinette (Not available 3100, 3625, 3750)
- Ducted 2nd 13,500 BTU air conditioner
- 2nd fantastic vent fan with rain sensor (Location varies by model)
- Generator ready (Onan Marquis Gold 5.5 KW specifications)
- Onan Marquis Gold 5.5 KW - LP Generator (Requires optional generator ready)
- 12 cubic foot Four door refrigerator (Not available 3150)
- Central vacuum
- Electric Fireplace
- Neo-Angle shower in place of garden tub (Not available 3402, 3582)
- Goodyear G-Range tires

SO WHY SETTLE FOR ANYTHING LESS THAN THE BEST?
ULTIMATE TOWABILITY BY APPLYING “MAX TURN” TECHNOLOGY

AFTER BUILDING OVER 65,000 MONTANA FIFTH WHEELS, WE’VE PERFECTED THE ART OF TOWING. YOU CAN COMPARE FEATURES. YOU CAN COMPARE FLOOR PLANS. BUT WHEN IT COMES TO TOWING, THERE IS SIMPLY NO COMPARISON TO A MONTANA FIFTH WHEEL.

MAX TURN TECHNOLOGY FRONT CAP
The Max Turn Technology molded fiberglass front cap features a dramatic, aviation-style curved shape to dramatically reduce the drag coefficient for maximum fuel economy.

REAR BACK-UP LIGHTS
Montana’s rear fiberglass cap has molded back-up lights to illuminate the area behind the fifth when backing into a parking spot or campsite. Back-up lights are an important safety feature to notify other motorists or pedestrians when the fifth wheel is moving in reverse.

MOR/RYDE LRE/4000 SUSPENSION
The MOR/Ryde LRE/4000 Suspension increases dynamic axle travel by up to 4”. No other suspension on the market offers this level of protection. Increased travel means smoother towing, improved roadability and better protection from damaging road shock.

MOR/Ryde Wet Bolt Kit
Montana also uses the heavy-duty shackle upgrade kit that includes 1” shackle plates, weld or greasable bolts and bronze bushings. This kit provides longer lasting, more durable and better performing components, another “best in class” feature.

LOW Hitch WEIGHTS
While other fifth wheels put tremendous strain on the tow vehicle with hitch weights exceeding 2500 lbs, most Montana models offer hitch weights below 2000 lbs.
