A. Oversized pass through storage gives you room for all your camping supplies. (325 FRE shown here)

B. Solid surface countertops provide a rich look and durability not found in many of the solid surface countertops used by competitors. (N/A Sydney Super-Lite)

C. Experience the convenience of full extension drawer glides on all kitchen and bedroom drawers.

D. Notice the 6’ 2” ceiling height in the living room slides. The higher slide height means easier access and larger cabinets for storage. The glass mullion cabinet doors offer an elegant touch. (N/A Sydney Super-Lite)

E. Sydney’s Utility Center encloses all exterior system controls in one convenient location. (N/A Sydney Super-Lite)

F. Sydney’s black tank flush makes cleaning the tank simple!

G. Vaulted Ceiling in the Sydney fifth wheel now adds an additional 4" of interior height.

H. Underneath storage bins in pass through storage area. Perfect for tools, hoses, firewood, etc.

I. The Equa-Flex rubber equalizer system completes the task of keeping road shock where it belongs.

J. Sydney’s heated underbelly and enclosed tanks and valves help extend the camping season, increase interior storage and provide better tow ability.

K. Turning radius is improved more than 30% with the most aerodynamic front fiberglass cap in the industry.
