RENEGADE

WINNEBAGO'S NEW SUMMER SPECIAL
F-17R MOTOR HOME FOR $5995*

Now a 17' "self-contained" motor home with 594.24 cu. ft. of living space for $5995*. It is a motor home not a sparsely equipped van conversion. "Renegade" has shower, toilet, galley, pressurized water system, holding tank, 110v and 12v electrical system, and sleeps four comfortably (six with optional rear bunk).

Powered by a Ford P350 chassis with three speed automatic transmission, F17 Renegade can tour at turnpike speeds, but has maneuverability for back country exploring. It is the first motor home with pickup truck or van maneuverability and motor home luxury. Ford power and automatic transmission will give you the on road touring convenience never before available at $5995*.

How can Winnebago offer a quality self-contained motor home for $5995*? By manufacturing in the world's largest motor home factory where production efficiencies far exceed any others in the business. Mass production, vertical integration (manufacturing our own component parts), and quality control have been combined for this revolutionary industry break through in motor home pricing.

Thermo-Panel**—an exclusive construction feature of all Winnebago Motor Homes. "Sandwiches" of exterior pre-finished aluminum and interior paneling are bonded to a core of Styrofoam*** Insulation. IT'S STRONG AND HAS A LIFETIME GUARANTEE—Winnebago guarantees Thermo-Panel** construction for the lifetime of the motor home to the original owner.

Winnebago believes in "design from the inside out". The interior of every Winnebago is carefully selected for your on-the-road living convenience. No other motor home matches Winnebago for interior design, floor plans, and appointments. It is the ultimate in the recreation leisure travel.

Winnebago is the world's largest manufacturer of motor homes. Five times more people chose Winnebago motor homes than the next largest manufacturer in the industry. Proof that the Winnebago you buy is backed by years of experience, consumer acceptance, and quality control.
