

GREAT PLACES GOING PLACES

Airstream

Itasca makes great places come true.

There's a lot of world out there to see. Great places to experience for the first time. Great new travel horizons. Itasca makes a complete line of exciting motor homes to get you there, relax you, sleep you, and dine you in comfort.

Our sleek full-size Itasca's offer splendid accommodations in three innovative floor plan arrangements and two sensible lengths. There's a 25-foot Itasca with a rear bath, a 27-foot model with twin beds, and a rear lounge Itasca, also 27 feet. Each roomy configuration provides ample seating, sleeping, storage, and loads of counter space.

Each plan arranges the bath like a bath should be arranged. Tub and shower are separated... so the other facilities don't get wet.

Itasca kitchens are bright, light and loaded with convenient appliances. Domestic systems are adequately provided for.

We can't say enough about the excellent ride, performance, and value you get with Itasca's unbeatable combination of smooth, dependable Chevrolet chassis and Itasca's masterful engineering of the modern motor home coach.

Itasca believes that owner protection, too, is just as important in making your motor home a great place to live in, travel in, and own for years to come. With that in mind, we proudly introduce our new limited warranty and service agreement to provide greater protection for your motor home investment. Partial details are included on the back cover of this brochure. When you're visiting our great new places at your Itasca dealer ask for complete details concerning this great new security package.

Safety: ☐ Thermo-Steel® construction incorporating hat channel steel insures maximum strength and safety plus excellent insulation and meets federal proposed standards for urban bus transit ☐ Fire extinguisher (2 B.C.) ☐ Tinted safety glass windshield and windows ☐ Sunvisors ☐ Inside and outside rearview mirrors ☐ Outside door assist handle, step light and folding entrance step ☐ Automotive double safety door latch with dead bolt lock for added security and safety ☐ Emergency exit rear window ☐ Rear mud flaps ☐ Floorline lighting ☐ Front and rear bumpers.

Chassis: ☐ Fully independent front suspension ☐ Front and rear stabilizer bars improve cornering, stability, resist roll and sway ☐ Chevrolet P30 series chassis ☐ Rugged steel channel frame rails ☐ Dual rear wheels ☐ Heavy duty rated rear leaf springs.

Automotive: ☐ Chevrolet V8 engine with high energy ignition for easier starts and efficient fuel consumption ☐ Power driving assists including 3-speed Turbo-Hydramatic transmission, power steering, Hydro boost brakes with power front disc ☐ Aluminized dual exhaust system ☐ Heavy duty 60 Amp alternator system ☐ Convenient front access to water and oil fills ☐ Adjustable defroster vents ☐ Automotive heater ☐ Hydraulic jack and wheel wrench ☐ Windshield washer and wiper ☐ Spare wheel and carrier

☐ Engine oil cooler ☐ Emergency parking brake ☐ RV thumpless tires.

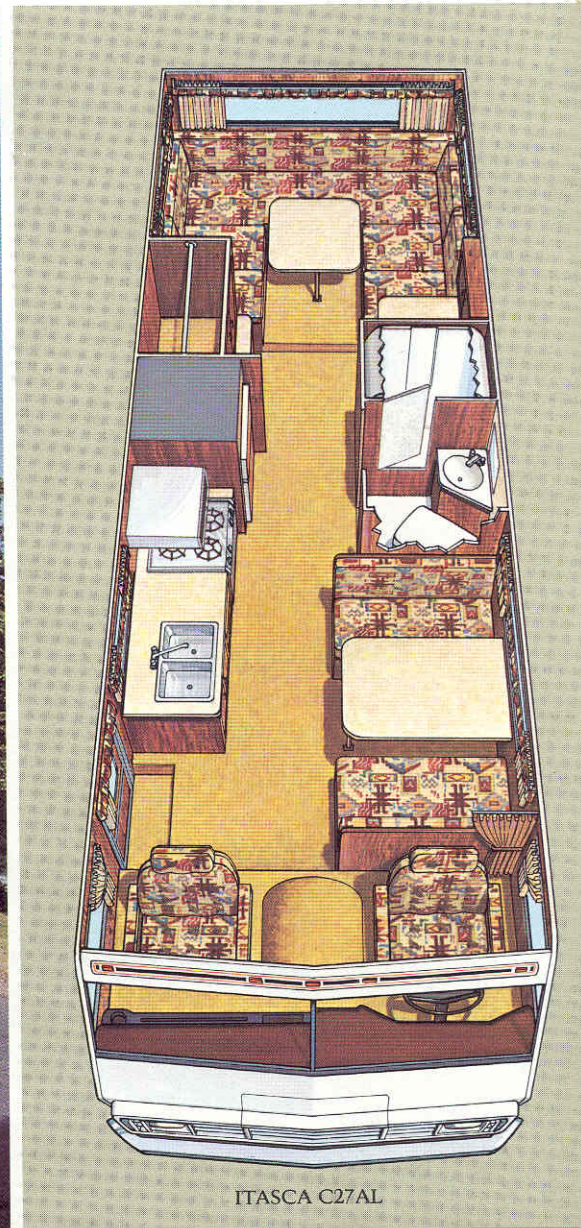

Driver's Compartment: ☐ Contoured padded dash ☐ Adjustable contoured seats for driver and co-pilot ☐ Cigarette lighter ☐ Ashtrays ☐ Black-out curtain ☐ Slide-out beverage tray ☐ Comfortable footrest for driver ☐ Armrests and headrests.

Kitchen: ☐ 4-burner range and oven ☐ 8 cubic foot gas/electric refrigerator ☐ Double stainless steel sink with cutting board cover ☐ Color coordinated backsplash area ☐ Leather grain texture counter tops ☐ Power stove hood ☐ Roll-out pantry.

Dinette: ☐ Anatomically designed cushioned seating ☐ Generous overhead cabinet space—approximately 30 cubic feet in Itasca C25A and 38 cubic feet in Itasca C27A and C27AL ☐ Dinette converts to bed.

Sleeping: ☐ Thick foam mattresses ☐ Gauchos and dinettes convert to beds ☐ Twin beds—Itasca C27A ☐ Front wrap curtain and room divider curtain for bedroom privacy ☐ Pull-down front bunk.

Bath: ☐ Washable vinyl wall covering in bath ☐ Wardrobe in bath area (C25A) ☐ Marine toilet ☐ Dual holding tanks—one for waste and one for waste water; eliminates need for unsightly drain pail ☐ Quick recovery 6 gallon

ITASCA C27AL

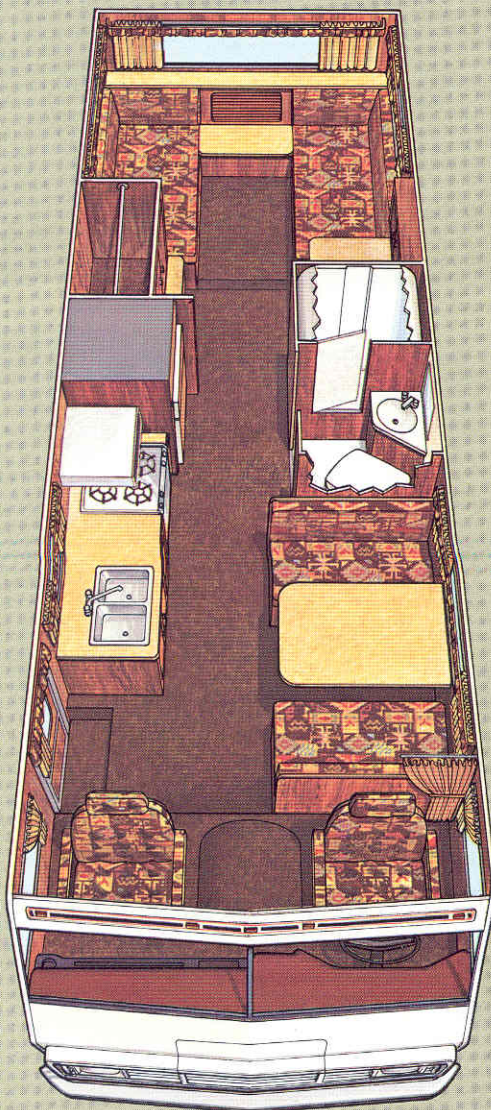

motor aid water heater ☐ Bathtub and shower combination with flexible shower head ☐ Shower door ☐ Lavatory ☐ Medicine cabinet and mirror ☐ Power roof vent ☐ Bath floor carpeting ☐ Wooden privacy door (C-27A).

Utility: ☐ City water hook-up ☐ 12-volt lighting system operates from battery or external 110-volt supply ☐ Converter/battery charger ☐ Three wiring tubes for optional roof air ☐ Sewer hose and outside storage compartment ☐ Demand water system.

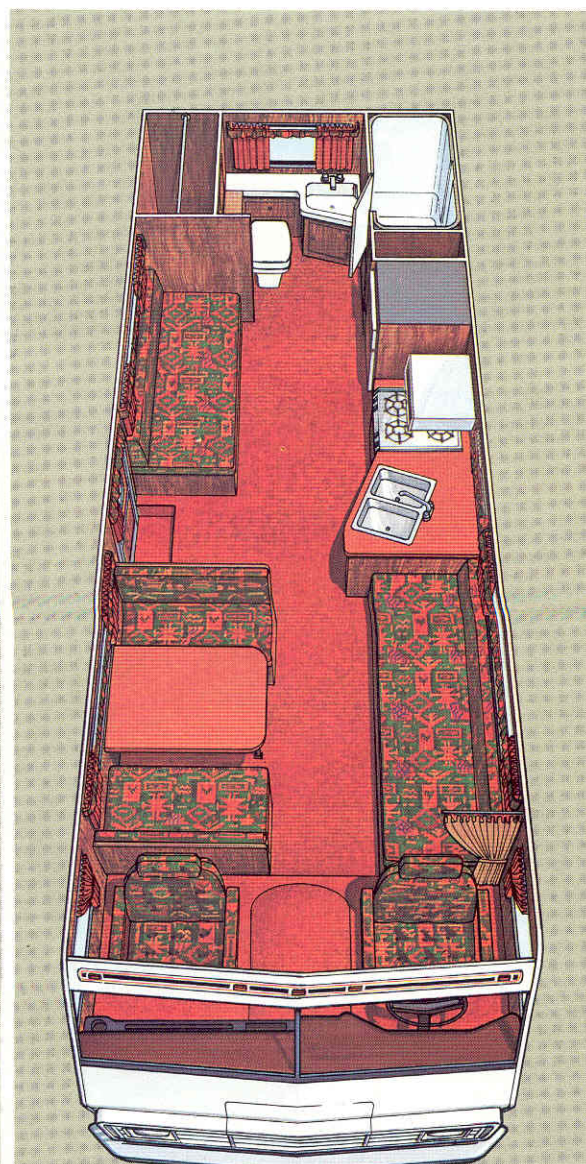

Interior: ☐ Carpeting ☐ Large storage drawers with steel guides ☐ Convenient 110-volt duplex outlets and 12-volt interior lighting fixtures ☐ Forced air (ducted) furnace with thermostat ☐ Lavatory across from wardrobe (C27A) ☐ Sliding pocket door (C27A, C27AL) ☐ Entertainment center with wet bar (C27A and C27AL).

Exterior: ☐ Prefinished aluminum exterior and under floor ☐ Contoured front and grill ☐ Window screens ☐ Three skylight roof vents ☐ 25-foot rubberized 110-volt power cord ☐ Slider side windows ☐ Rust free aluminum rocker panels ☐ Exterior battery storage compartment ☐ Radius entrance and compartment doors ☐ Screen door ☐ Generator compartment ☐ Luggage compartment.

Features, floorplans blend motor home harmony.

Itasca made the "mini" a greater place to stay.

These exciting new Itascas come in 22, 24, and 25-foot lengths. They blend the driving ease, maneuverability, and price advantage of a "mini" with the space, livability and comfort of a full-size motor home.

The C25C Itasca, for example, gives you a spacious rear bath. There's the C24C rear dinette arrangement that makes into a big queen-size bed. And there's the C22C Itasca offering our most easily afforded all-purpose plan.

Versatility and space are common to all our "mini" type Itascas. So are innovations like cab roof cut-outs for convenient stand-up, walk-through passage between the cab and living area. And of course you get full-size appliances and conveniences to go with all that full-size Itasca room.

Review the features of these new Itascas. Then visit your dealer to experience them in person. He has a complete copy of the great new Itasca limited warranty and service agreement for you, and it's just as applicable to our "minis" as our other motor homes.

Superb new owner protection from the nation's fastest growing motor home line.

In less than three years, Itasca has advanced from the drawing board to rank with the leaders in the motor home field. There's more than one good reason for Itasca success.

Itasca draws from years of experience in building quality motor homes. And we began by designing and producing better motor homes with the features, detailing, performance, livability and value that experienced motor home owners asked for.

From the beginning, we backed our motor homes solidly. With a growing dealer-service network and a strong motor home warranty. Now Itasca backs them more solidly than ever.

The new Itasca limited warranty provides **one year or 12,000 miles pro-**

tection for your motor home, covering items ranging from our exclusive Thermo-Panel[®] construction to many of the domestic systems, appliances, and equipment included in your motor home.

And, when the limited warranty period expires, Itasca gives you **24 months or 24,000 miles additional protection** in the form of our service and parts agreement.

We can't give you all the details in this limited space. We can say, however, that the Itasca limited warranty and service agreement is one of the best you'll find. Please see your dealer for complete details to study and compare. We're proud of the solid owner protection it offers. We believe you will be too.

Itasca's continuing program of product improvement makes specifications, equipment, model availability and prices subject to change without notice. Some items shown may be extra cost options.
