**Experience the spirit that inspired the rugged mariners. Seafarer.**

*Seafarer*

Seafarer is outfitted with modern kitchen appliances, a fully equipped rear bath with shower with ample room to enjoy it all. The tasteful nautical inspired decor and the easily maintained work surfaces will delight the lady on board. A damp cloth and everything is ship-shape.

What sets Seafarer apart from other motor homes is the attention to detail. Imagine, if you will, the attractive, comfortable interior accented with these authentic features; the brass plated ships clock, the ships wheel mirror in the bath, the brass Captain's bell, the

From the rocky coastline to the winding mountain roads, Seafarer will log miles anywhere and get you there in luxurious comfort. Seafarer is at home in any terrain and you are home in Seafarer.

The Seafarer story begins from the ground up. The smooth-riding, dependable Chevrolet chassis and drive train has to be the best place to start. Add the reliability and experience of Itasca coachwork. With a combination like that, you can't go wrong.

You will appreciate the conveniences in your Seafarer. Built in, not added on. The dinette table handles any size meal and an insert flips over to a felt surface to enjoy your favorite card game. The table easily stows away to allow dinette seats to convert to a bed.

Stow your gear with room to spare on board the spacious Seafarer. Your fishing rods are securely stored in a convenient tackle rack on the passenger side. Your Captain's quarters are like no other. And it says so with your name engraved on the plate mounted on the teak plaque just above the door.

## Triple the average motor home protection

The 1977 Itasca Owner Protection Plan is already an industry phenomenon. It'll cover you for no less than three years or 36,000 miles. And not just on a few isolated parts, either. We'll cover the inside, the outside, the underside—anything operational, except normal replacement items like spark plugs and oil filters.

In fact, if you keep your 1977 Itasca serviced regularly, we'll assure you that for three years or 36,000 miles, no repair job resulting from a mechanical malfunction will ever cost you more than \$25. And for the first year or 12,000 miles—Itasca's Limited Warranty period—it won't even cost you a penny.

Due to continued product improvement and changes in suppliers, design and production, accuracy cannot be guaranteed in descriptive and pictorial representation of the products in this brochure. While they are believed to be current at the time of publication, equipment, colors, material specifications, and model availability are subject to change without notice. Please contact your authorized Itasca dealer for current model specifications.
