You'll Love the Difference!

You deserve a travel trailer like this. Rooms packed with features and tasteful appointments. Rooms like you'd find at home. And these meticulously-constructed trailers will last a lifetime. The entire coach body is made with aluminum framing. This gives you unsurpassed strength in sidewalls, roof and floor. It also means greater resale value. If you're looking for value in a recreational vehicle, you're looking in the right place.

The latest in durable, lightweight travel trailers made from all-aluminum construction (entire coach body)

Unsurpassed strength in sidewalls, roof and floor — all-aluminum design!

Greater resale value than conventional stick-and-staple construction...tomorrow's construction today
