Camper

We begin with a spacious,
powerful EuroVan. Then
have it modified by
the crafty folks at
Winnebago® Industries.

Meet the Volkswagen
Camper. **It's extremely mobile**

and a lot like home. Everything about it is designed to
provide the maximum amount of functionality in a minimal
amount of space. There's a stainless
steel sink, a shower, even a gas stove.

And, of course, a powerful 2.8 litre, 140 hp, VR6 engine.

It's all built with your long-term comfort in mind. Why not
