

# Minnie Winnie. Created for those seeking the convenience of a Class C motor home with the comfort of a Class A.

27P-Garden Gate-Salem

Talk about the best of both worlds, the Minnie Winnie offers the kind of space, comfort and amenities you only find in a Class A motor home. Yet it delivers the drivability, convenience and value you expect from a Class C model.

With its impressive list of standard features, Minnie Winnie is a dream on wheels.

But it's a dream you can design to fit your own very special wants and needs. Because Minnie Winnie is available in a variety of floorplans, you can choose a front overhead bunk or deluxe entertainment system, single or double slideout models, a split bath, a roomy L-shaped galley....

You get the idea. You know what you want. Comfort. Quality. Value. Fun choices. And with Minnie Winnie, you get it all.

#### A wonderful place to retire.

27P-Garden Gate-Salem Cherry

Minnie Winnie's 27P bedroom slideout area has a large wardrobe with spacious drawers and closet space, plus a desk/vanity with even more storage. The storage story continues overhead, with gorgeous doors and drawers which feature a catalyzed finish typically found in the cabinetry of finer homes. The queen-size bed has a Serta® mattress and lifts up easily to access another storage area below.

#### Let's talk room.

Welcome to Minnie Winnie's generous interior, a pleasant and relaxing haven that can grow even larger and more comfortable thanks to the standard hydraulically powered front slideroom.

These are living spaces you can truly live in, with upscale features like beautiful Stitchcraft custom furniture, premium day/night pleated shades that offer various levels of privacy and interior lighting controlled by wall-mounted switches.

Overhead, ceiling-ducted air conditioning delivers efficient climate control for the entire coach and an attractive one-piece textured fabric ceiling completes the look.

#### That's entertainment.

You'll experience extraordinary music, movies and TV with the available QSurround™ 5.1 sound amplifier system. Choose a 25" or 27" stereo TV and stereo VCR. The overhead cab area features storage cabinets and an available 130-watt inverter, which provides 110-volt AC power to the TV and VCR when shoreline or generator power isn't in use.

#### Cook up a storm.

Prepare great meals or snacks with ease in Minnie Winnie's full-featured galley. Note that it comes complete with three-burner Magic Chef® range/oven, a new built-in microwave over the range, and a molded recessed composite sink that's stain resistant and easy to clean. The sink covers and a flipup countertop extension provide additional work space. Doors and drawers open easily with large handles, while positive catches help keep them secure.

## Fill 'er up. Stock up for a long trip. It's easy with Minnie Winnie's pull-out pantry found in the 27P and 30V floorplans. The large doubledoor refrigerator/

freezer provides

abundant cold

# Dish ready.

Expand your viewing options with an available TV satellite dish with a

digital elevation sensor. Minnie Winnie comes prewired for a dish, so you can choose to have it installed now or later

## Driver friendly.

The well-designed cockpit has controls designed and positioned for maximum driver comfort and convenience and can be enhanced with the available woodgrain dash applique. All gauges, switches and controls are full-sized and easy to reach—including standard power windows and door locks. In the center console there's a handy storage tray, a coin holder, oversized cupholders and a large tip-out storage compartment. Driver and passengerside airbags are standard

#### **Built for comfort.**

The high-back Stitchcraft driver and passenger cab seats are multi-position and feature fixed lumbar support for added comfort. Select the available leather shown here for an upscale look and feel.

## A clear rearview.

For added safety when backing up, select the available rearview monitor system. It includes a 6" screen mounted between the visors on an adjustable swivel base. The system also includes one-way audio.

#### This radio's a "wow."

Our engineers worked closely with the radio manufacturer to create the RV Radio designed specifically for RV use. It includes an AM/FM stereo cassette/CD player with a built-in weather band for immediate weather updates at the touch of a button. Its large control knobs and buttons are easy to operate.

# The key to it all.

Minnie Winnie makes use of the KeyOne™ system. Just one key opens most vehicle doors, including compartment doors. What could be simpler?

# More power to you.

And more efficiency, too. thanks to this standard. high-quality Onan® MicroQuiet™ generator. It supplies 4,000 watts of power to Minnie Winnie's 110-volt wiring system.

#### Check this out.

Quickly check vital functions like tank levels, LP gas and battery power at a glance with Minnie Winnie's flushmounted monitor panel, conveniently located in the galley.

## A bigger picture.

Minnie Winnie's exterior mirrors feature a large field of vision so important when parking or changing lanes. The electric remote feature makes adjustments easy and includes a defrost function, too.

#### Get a handle.

Enter and exit Minnie Winnie with ease using the thoughtfully placed. extra-large, sturdy handles.

#### Entertainment plus.

Minnie Winnie can be equipped with the available exterior entertainment center that includes AM/FM stereo with antenna, a cassette or CD player, 12-volt DC receptacle, TV jack, 110-volt outlet, speakers and a removable table.

#### Say goodbye to drips.

Minnie Winnie's innovative awning rail, which has a built-in rain gutter, channels the water away from the entrance door and windows to the front and rear of the coach. This helps keep you dry and your coach clean and streak free.

#### StoreMore, A lot more.

Extend your storage space and your living space with Winnebago Industries' exclusive StoreMore® slideout system. The 27P and 31C feature front exterior storage compartments which extend along with the slideout to make loading and unloading easier anytime. There's plenty of room here for oversized or odd-shaped items.

RIORS

0

# The outside story.

Minnie Winnie's one-piece fiberglass sidewall is amazingly tough—typical for Winnebago Industries' design. Fiberglass running boards are a standard Minnie Winnie feature and help keep the sidewalls clean and frock chips. Also available: Ride-Rite® rear auxiliary air springs to improve the quality of your ride and stainless steel wheel liners, to resist corrosion over the long haul.

#### Not all motor homes are created equal.

As you take a closer look, you'll see that there is much more to the Winnebago Minnie Winnie than a long list of standard features and compelling floorplans. Beneath it all you'll find a SuperStructure™ foundation of strength and durability, and Winnebago Industries' recognized service and warranty support.

#### We are committed to service.

We back our motor homes with the best after-the-sale service in the industry.

- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile warranty on structure
- Standard 10-year limited parts-and-labor roof warranty
- Complimentary 24-hour Roadside Assistance Program
- TripSaver emergency warranty parts shipments
- · National Dealer service network

Recreation Vehicle Dealer Association members annually rate RV manufacturers on the quality of their products, and on their sales and service support. Winnebago Industries has achieved the coveted Quality Circle award every year since its inception, the only major motor home manufacturer to do so.

#### Learn more about what sets Winnebago Industries apart.

Ask your dealer for this guide. It will help you learn what makes Winnebago Industries motor homes distinctly superior to other brands.

Winnebago-Itasca Travelers (WIT) is a club for owners of Winnebago Industries motor homes. WIT is a great way to meet people and offers you:

- · Caravans and rallies
- · Local and state group activities
- · Benefits for RVers

Seat belts are your most important hookup. Always buckle up.

#### SuperStructure

is the term given to Winnebago Industries' structural motor home design and construction. Rather than a single component, it is the culmination of design integration that incorporates steel and aluminum substructures, composite design laminated floor risers, interlocking joint technology, and Thermo-Panel® floor, roof and sidewalls to form a high-strength, durable vehicle body.

Interlocking joint construction utilizes advanced extruded aluminum structural components to create integrated floor-to-sidewall, and sidewall-to-roof joints. This design effectively distributes the weight of the walls and roof, making a stronger and more durable body than competitor designs that rely on screws to carry the weight.

Laminated risers feature a welded aluminum core for superior strength and provide a stable base for the floor structure and storage compartments.

The foundation substructure

assembly is precisionaligned to maximize strength and crosscoach support as well as durability.

# Storage compartments

attach to outrigger assemblies so the weight of stowed items is carried and disbursed throughout the foundation substructure.

Critical steel components

are treated using an advanced electrodeposition coating process that provides superior corrosion protection.

Minnie Winnie features a crowned, one-piece fiberglass roof backed with a 10-year limited partsand-labor warranty. Fiberglass offers superior strength, attractiveness and durability over rubber roofs found on many competitive models. Over time, rubber roofs are susceptible to chalking, streaking and degradation, and have less puncture and tear resistance than fiberglass.

One-year-old competitor's rubber roof

One-year-old Winnebago Industries fiberglass roof
