

Pop in.

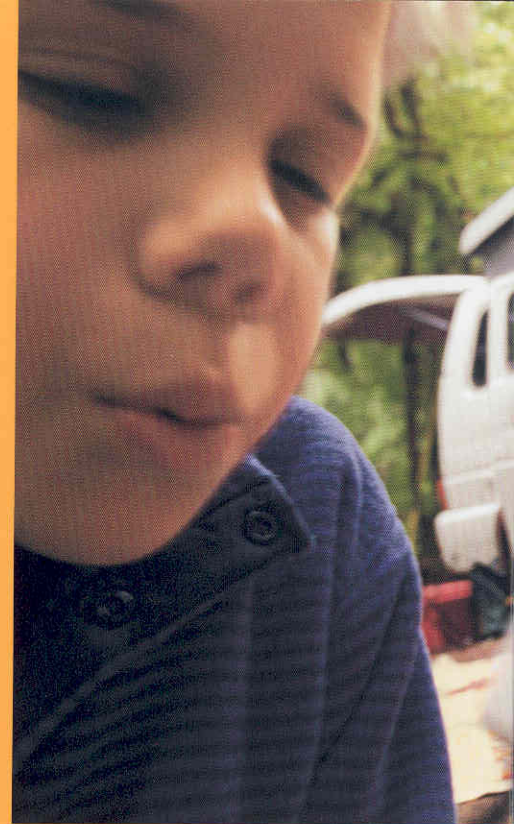

Pop up.

Pop out.

And don't be in a rush to come back anytime soon, seeing as that would defeat the whole purpose of the Camper. It's got everything you could wish for if you're planning an extended trip. Some say it kinda takes the rough out of roughing it. Must have something to do with what it's got to offer: a stainless steel sink, a closet, a gas stove and, of course, the infamous pop-up roof. It's even got cool front seats that swivel. Yup, just leave it to those happy campers at Winnebago® Industries to fit all these goodies and more into this portable home.

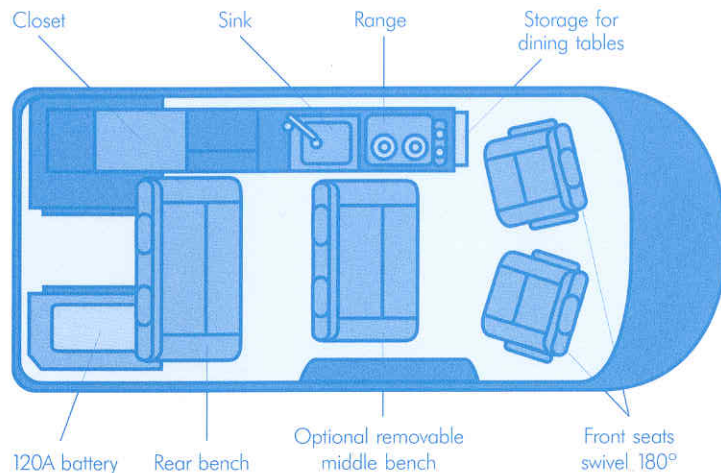

And leave it to
us to provide the
quintessential Volkswagen driving
experience, care of a hefty 2.8 litre,
201 hp, VR6 engine. Rest assured,
everything's been taken care of. We'll
just leave it to you to figure out who's
driving and who's doing the dishes.

Enjoy camping with the bare maximum.

The Camper comes standard with:

- Two-burner gas stove with stainless steel splatter shield
- Pop-up roof with canvas side-walls, screened windows on three sides and full size bed (rise creates seven feet of floor to ceiling room)
- Exterior water sprayer
