

Sunstar
2003

The Itasca Sunstar ushers in a new era of motor home function and mobility. Starting with a stylish Volkswagen® cab and a 201-hp V6 engine, the Sunstar will provide you with power and fuel efficiency. You'll love the exceptional handling of front wheel drive and the compact body design that lends itself to incredible driveability, even for first time motor home owners.

Once you set foot inside the Sunstar you'll fully appreciate how truly innovative it is. Our design features allow for plenty of living space while still maintaining the amenities that make motor homes so much fun.

21B WOODBINE BEIGE

YOU'LL BE AMAZED AT HOW SPACIOUS A 21' MOTOR HOME CAN BE.

With a 6'5" ceiling and features designed to maximize function without eating up precious space, the Sunstar provides the comfort and convenience of a full-featured motor home. Standard amenities include custom Stitchcraft furniture, Congoleum® vinyl floorcovering in the galley and bath areas for easy cleanups, and pleated shades for maximum privacy.

KEEP ON TOP OF THINGS.

The flush-mounted monitor panel, located in the galley area, allows you to check the status of your onboard systems quickly and easily.

Sunstar
2003

TRAVELING WITH FAMILY OR FRIENDS? You'll find the versatility of three comfortable sleeping areas indispensable. Both the dinette and couch convert into beds. The overhead bunk is a comfortable sleeping area, making this an excellent RV for a traveling family.

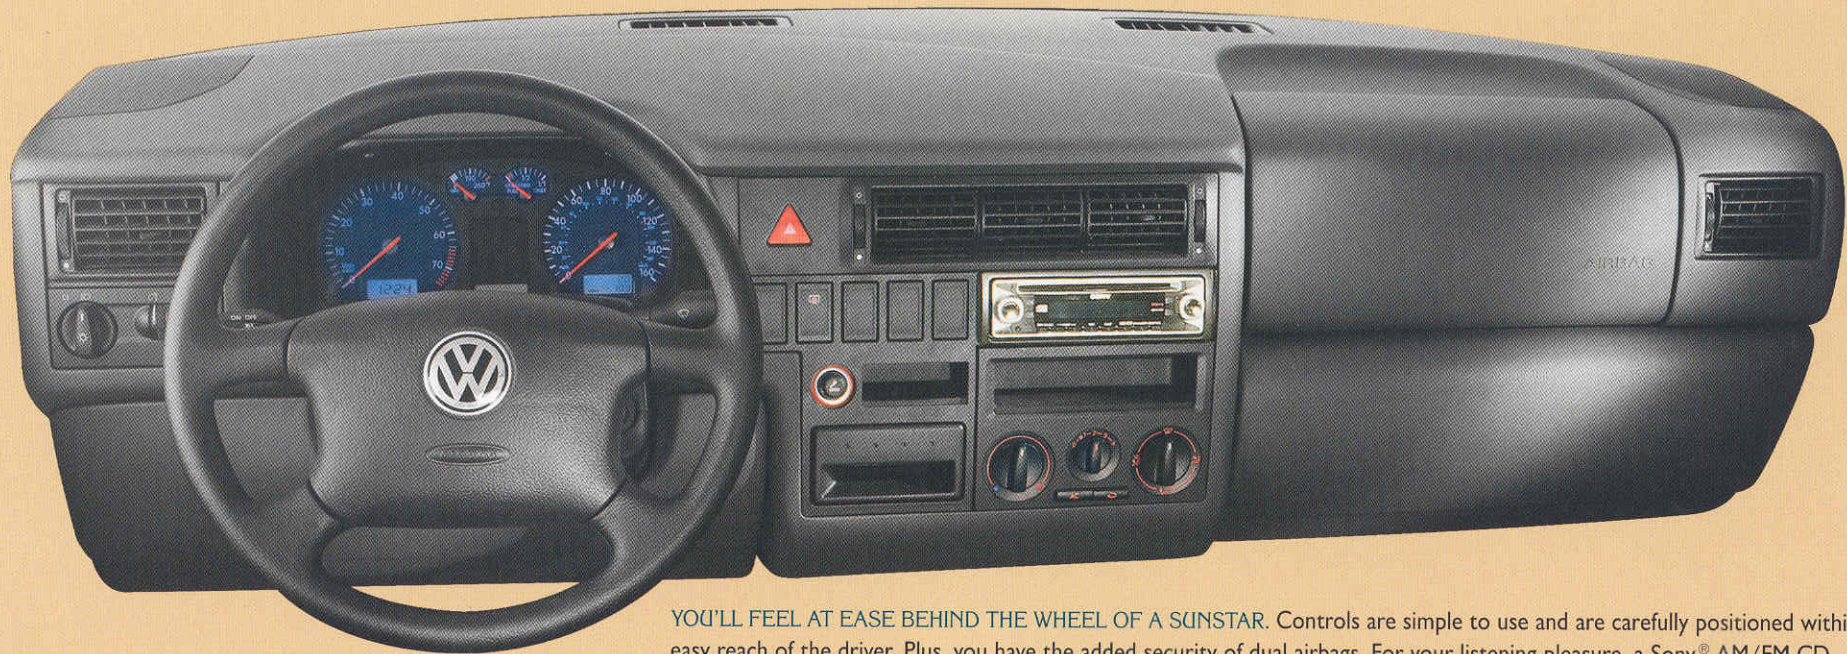

DON'T LET THE SIZE OF THE GALLEY LIMIT YOUR CULINARY IMAGINATION. It comes with all the essentials for serving up a gourmet meal including a 3-burner Magic Chef® range with oven and a double-bowl, stainless steel sink. Choose the available Deluxe Feature Package for a microwave oven and additional storage under the range. The cabinets are designed to maximize the galley space and they feature large handles that are easy to use.

A SINGLE-DOOR REFRIGERATOR/FREEZER offers plenty of cold storage for food and drinks while conserving space for additional amenities. Above the refrigerator is a shelf for your television (television set not included). We've even included a 12-volt powerpoint and an antenna/cable connection near the shelf for your convenience.

ALL THE COMFORTS OF HOME. The bathroom includes a large shower, molded sink, vanity and a residential-height toilet with a convenient foot-pedal flush. We've also incorporated a spacious wardrobe for all of your linens and toiletries.

YOU'LL FEEL AT EASE BEHIND THE WHEEL OF A SUNSTAR. Controls are simple to use and are carefully positioned within easy reach of the driver. Plus, you have the added security of dual airbags. For your listening pleasure, a Sony® AM/FM CD player with wireless remote comes standard. Additional convenience items include heated windshield washer fluid nozzles and a fresh-filtered dash air system. One-touch power windows include a pinchguard feature that automatically retracts windows if resistance is detected.

A 201-HP, 24 VALVE, DUAL OVERHEAD CAM, 2.8 LITER V6 VOLKSWAGEN ENGINE

gives the Sunstar plenty of zip and great fuel efficiency. You can tackle hills and curves with confidence. A 4-speed electronic transmission uses advanced technology to sense driving conditions and controls shift points to optimize performance.

A LOCKABLE GLOVE BOX is conveniently located in the driver's door. The molded compartment fits neatly in the door panel and includes a locking lid to keep your property securely tucked away.

YOUR SUNSTAR IS PROTECTED FROM THEFT by the Volkswagen Immobilizer system. The ignition key contains a microchip programmed to the vehicle preventing unauthorized keys from starting the engine. This unique key also folds into itself to prevent wear on your pockets and it incorporates the remote for the cab door locks.

THE BIG CHILL.

Keep cool on hot summer days with the available 7,100 BTU roof-mounted air conditioning unit. Also available is a high-efficiency air conditioner which is part of the Deluxe Feature Package.

TAKE IT WITH YOU.

An available trailer hitch with a 200-lb. tongue weight capacity along with a powerful V6 engine lets you tow up to 2,000-lbs. with ease.[†]

SO SMOOTH.

Extra suspension is provided by the available, adjustable rear auxiliary air springs.

LOOK OUT BELOW.

The Sunstar contains a surprising amount of pass-through basement storage. You can carry larger items without cluttering the precious interior space.

MORE POWER.

An available, 2,800 watt Onan® MicroLite™ generator provides 110-volt power when shoreline power is unavailable.

KEEP IT OUTSIDE.

Clean up before you enter the motor home at the available exterior wash station. Holding tanks are enclosed in the heated basement for multi-season use. Plus, a convenient second water pump switch means you don't have to track dirt inside to turn on the pump.

GREAT VIEW.

The low-mounted exterior mirrors give you an excellent view of the road. They are remote-controlled and include electric defrost for added convenience.

TURN, TURN, TURN.

A tight turning radius and responsive rack-and-pinion steering give the Sunstar amazing agility.

SURE FIRE.

The windshield spray nozzles are heated so they'll work perfectly in cold weather.

EASY RIDER.

Front-wheel drive, a powerful 201-hp engine and independent, front torsion-bar suspension make the Sunstar highly maneuverable and easy to drive.

DRIVE SAFELY.

The Sunstar features the protection of driver-side and passenger-side airbags.

OPEN WIDE.

Cab doors open nearly 90° for easy access.

HOT WHEELS.

The Sunstar looks sharp with low-profile tires and available 16" polished aluminum wheels (shown on vehicle). Wheelcovers come standard (shown in inset).

- The height of this model is based on the curb weight of a typically equipped unit on the standard chassis. The actual height of your vehicle may vary by as much as 2" depending on chassis or equipment variations.
- [∞] Your motor home's load capacity is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.
- [◇] Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- S** Standard
- 0** Optional
- +** Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to your vehicle's operator's manual for further towing information.
- *** Not all items available in combination. See dealer for details.
- **** See your dealer for complete warranty information.

Winnebago Industries® continuing program of product improvement makes specifications, equipment, model availability and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available.

Not all motor homes are created equal. Take a closer look and you'll see there is much more to an Itasca Sunstar than a long list of standard features and a compelling floorplan. Beneath it all, you'll find a SuperStructure™ foundation of strength and durability.

SuperStructure is the term given to Winnebago Industries' structural motor home design and construction. Rather than a single component, it is the culmination of design integration that incorporates steel and aluminum substructures, composite-design laminated floor risers, interlocking joint technology and Thermo-Panel® floor, roof and sidewalls to form an incredibly strong, durable vehicle body.

THE FOUNDATION SUBSTRUCTURE assembly is precision-aligned to maximize longitudinal and cross-coach support as well as strength and durability.

LAMINATED RISERS feature a welded aluminum core for superior strength and provide a stable base for the floor structure and storage compartments.

INTERLOCKING JOINT CONSTRUCTION utilizes advanced aluminum structural components to create integrated floor-to-sidewall and sidewall-to-roof joints. This design effectively distributes the weight of the walls and roof, making a stronger and more durable body than competitor designs which rely on screws to carry the weight.

CRITICAL STEEL COMPONENTS are treated using an advanced electrodeposition coating process that provides superior corrosion protection.

COMMITTED TO SERVICE. We back our motor homes with the best service after the sale in the industry.

- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile warranty on structure
- Standard 10-year limited parts and labor roof skin warranty
- Complimentary 24-hour roadside assistance program
- TripSaver Fast Track Parts. TripSaver guarantees that in-stock warranty parts ship directly to your dealer within 24 hours.
- National dealer service network

RECOGNIZED QUALITY. Recreation Vehicle Dealer Association members annually rate RV manufacturers on the quality of their products, and sales and service support. Winnebago Industries has achieved the coveted Quality Circle award every year since its inception, the only major motor home manufacturer to do so.

ALL MOTOR HOMES ARE NOT CREATED EQUAL. Learn more about what sets Winnebago Industries apart. Ask your dealer for this guide. It will help you learn what makes Winnebago Industries motor homes distinctly superior to other brands.

WARNING: JOINING WIT HAS BEEN KNOWN TO CAUSE EXCESSIVE FUN.

Winnebago-Itasca Travelers (WIT) is a club for owners of Winnebago Industries motor homes. WIT is a great way to meet people and offers you:

- Caravans and rallies
- Local and state group activities
- RV travel benefits
