2006  
TITAN SURV

A silhouette of a person in a wetsuit, seen from the back, holding a golf club horizontally across their shoulders. The person is looking out over a body of water towards a distant shoreline under a dramatic sky with scattered clouds and a bright sun low on the horizon, creating a shimmering reflection on the water.

# 2006 TITAN SURV

It's grand! Yet behind all that finery is an adventurous spirit ready to take you to a place where dreams come true. Introducing the TITAN SURV. A highly refined, luxurious home with a practical side. This is living.

A built-in, portable garage

Bathroom with full, surround shower

Optional loft adds a bunk room

# 2006 TITAN SURV DETAILING, FLOORPLANS AND SPECIFICATIONS

Hand chosen by our experienced interior designers, these fabrics afford the texture and colors to please even our most discriminating customer. Higher quality materials and plush, contemporary styling let everyone know you have good taste.

Copper Mountain

Cocoa Bay

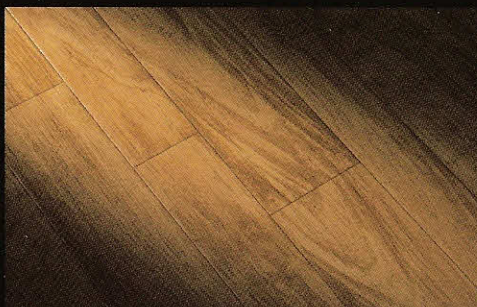

Plum Creek

Blue Ridge

Our ceramic-look vinyl flooring will give your TITAN the look of a fine home with this popular standard.

The optional, upgraded wood-look flooring is made from a heavy vinyl. It looks just like wood, but it's ultra-durable.

# CONSTRUCTION FEATURES

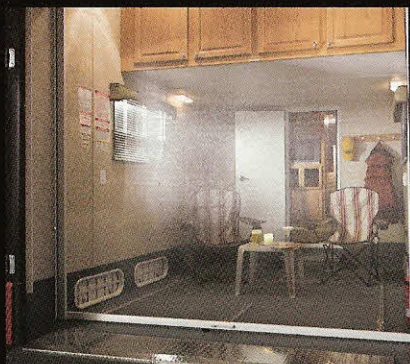

**THE ORIGINAL ALUMINUM SUPERSTRUCTURE**  
TITANS feature the industry's most famous aluminum frame system. It's screwed and bonded together versus welding. Compare the volume and thickness of our structure to anyone else and you'll see why SunnyBrook RV is the leader!

Roll out the red carpet. This is the original Superstructure by which all the other so-called aluminum-framed fifth-wheel and travel trailer brands are measured. Does anyone build to SunnyBrook's high standards? See for yourself. Our aluminum Superstructure is stronger, tows easier and will look better longer—giving you a higher return on your investment than any of the want-to-be's flooding the market today. Join the elite club.
