Take a Tour

We're proud of our process, state-of-the-art facilities and the people who make Winnebago Industries number one. We invite you to visit our factory in Forest City, Iowa, for a first-hand look at the dedication and technology behind every motor home we build.

Recognized Quality

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle award to manufacturers who provide exceptional products, service and support. Winnebago Industries is proud to be the only manufacturer to receive this award every year since its inception.

Committed to Service

We back our motor homes with the industry's best service after the sale.

- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile warranty on structure
- Standard 10-year limited parts-and-labor roof skin warranty
- Complimentary 24-hour roadside assistance program
- TripSaver Fast Track Parts. TripSaver guarantees that in-stock warranty parts ship directly to your dealer within 24 hours.
- National dealer service network

08 NAVION

08 NAVION

08 NAVION

08 NAVION

08 NAVION
Built to perform.
The 2008 Itasca Navion® is everything a Class C motor home should be: nimble, stylish and loaded with creature comforts. This year the Navion is built on the new Dodge® Sprinter chassis with your choice of a powerful, fuel-efficient Mercedes-Benz® turbo-diesel engine or a sporty 3.5L V6 gas Mercedes-Benz engine. A 5-speed automatic transmission, four-wheel ABS disc brakes and independent front suspension work together for exceptional handling and performance. You also get the security of Adaptive ESP® technology, that senses vehicle load and performance parameters to maximize handling, control and driving stability. The chassis’ new longer wheelbase allows for larger floorplans, while its beefier frame increases the GVWR to 11,030 lbs. and the GCWR to 14,530 lbs. Combine that with the stylish interior and SmartSpace® features and you get a motor home that begs to be taken on the road: the Itasca Navion.
**Travel in style**

Style and performance go hand in hand in the Itasca Navion, which is evident in the elegant curves of the frameless cabinetry and the modern appliances. Contemporary fabrics and chrome hardware complete the bold designs and look of the Navion.

Make quick work of meal preparation and cleanup in a galley that features a large, round, stainless steel sink, a three-burner range top and a microwave/convection oven. Other amenities include a generous double-door refrigerator with a stainless steel façade that resists fingerprints and a wooden sink cover for additional counter space. The available water filtration system provides clear, filtered drinking water to the galley faucet.

Both the furnace and roof air conditioning are controlled with a convenient wall-mounted thermostat for precision climate control. Choose the available heat pump for warmth without using LP. You’ll also appreciate the privacy afforded by the day/night pleated shades.

**Galley**

Everything is within easy reach with the stylish galley that features a double-door refrigerator/freezer with a “punched” stainless steel façade that is both attractive and resistant to fingerprints.

---

**WEB** Select a Key Feature

The **WEB** icon designates a Winnebago Industries Key Feature. For further in-depth information and photos, use the Drop-down Menu or click on the ‘Key Features’ page at winnebagoind.com.

**Dinette**

The dinette seats four and houses extra storage. At night this area converts to a comfortable bed.

**Skylight**

Get fresh air from the skylight that includes a vent and pleated shade.

**Full-extension Drawer Slides**

Drawers are sized to maximize storage, hold tight with positive latches and open fully for easy access to stored items.
The rear bed in the 24J not only creates a comfortable sleeping space, it flips up to reveal side-by-side storage compartments. One compartment expands to accept large items and can be accessed from outside the motor home. It’s another example of our Smart Storage™ design philosophy that maximizes usable storage space.

Bunk Beds The 24B features bunk beds in the sleeping area. The bottom bunk flips up to expose a large pass-through storage compartment and recessed storage area. It’s another example of our Smart Storage design philosophy.

The Navion packs more user-friendly features into the available space by employing our SmartSpace design philosophy. SmartSpace incorporates innovative features like the overhead bunk that lifts up for easy access to the cab and a coach stereo system with a CD/DVD player for the 19” LCD TV.

Storage is amazingly plentiful with a wardrobe, cabinets and storage compartments throughout the motor home. A front overhead storage cabinet can replace the bunk if you choose. A skylight lets the sun shine in your Navion and incorporates a pleated shade, sliding screen and a vent for added climate control.

The bathroom features a flexible showerhead, skylight and a retractable shower door that squeegees itself clean each time it’s opened. You’ll also find a stainless steel sink, chrome fixtures and an abundance of storage.

Overhead Bunk For extra storage, choose the overhead cabinet. It holds more gear for extended trips and is accented with rope lighting that creates a warm ambiance. The standard bunk lifts out of the way by day and provides a spacious and comfortable 49” x 75” sleeping space at night.
Winnebago Industries® continues to raise the bar, this year offering the Navion on the new Dodge Sprinter chassis with your choice of a 3.5L V6 gas engine or a 3.0L 6-cylinder turbo-diesel engine with an extra boost of power. The Navion makes driving easy with tilt and telescoping steering wheel, and Adaptive ESP technology. This Electronic Stability Program (ESP) helps the driver maintain control by measuring the vehicle’s steering angle, turning rate, and acceleration to detect oversteer and understeer and automatically apply brakes when necessary for improved traction and driving stability.

While you drive, set your ideal temperature on the dash thermostat. A handy remote lets you easily play your favorite music on the Sony® dash radio/CD player. It includes an input for your MP3 player and is even iPod-ready so you can listen to and control your iPod through the dash stereo. Choose the Sirius® Satellite Radio and you can dial in crystal-clear programming with a free six-month subscription.

Enjoy the ride in fully-adjustable luxury cab seats with lumbar support for extra comfort. Upgrade the cab seats to UltraLeather™ for a more luxurious ride. When you’re parked, the Navion 24H and 24J open wide with a slideroom 6’2” long.

**Hitch** Tow your favorite toys with the standard 3,500-lb. hitch with 350-lbs. of vertical tongue weight.

**Flip-out Key** The ignition key folds into the keyless door lock remote so it’s always handy and won’t poke a hole in your pocket.

**Handles** New handles provide easy access to storage bays.

**Sliding Storage** An easy-to-use pullout storage bin seals tightly to protect your things from dirt and moisture. It even includes a drain plug that makes cleaning easier.

**Dash** You’re in control with a steering wheel that tilts and telescopes into perfect position. You’ll also find handy storage areas above the driver and passenger seats, and a ventilated glove compartment to keep things cool. Dual airbags come standard and an available rearview monitor with one-way audio provides added peace of mind when backing and maneuvering. The exterior mirrors are split glass convex and feature remote adjustment, defrost and integrated turn signals.

### Automotive/Chassis

- **Dodge® Sprinter Chassis, Turbo-Diesel** – w/Adaptive ESP® technology 3.0L CDI 6-cylinder, 154-hp, automatic 6-speed transmission w/tip shift, 4-wheel ABS, independent front suspension, 180-amp, alternator, **Trailer Hitch** 3,500-lb. drawbar/350 lbs. maximum vertical tongue weight & 6-pin wire connector, Wheelcovers 16" (4)
- **Dodge Sprinter Chassis, Gas** – w/Adaptive ESP® technology 3.5L V6, 245-hp, automatic 6-speed transmission w/tip shift, 4-wheel ABS, independent front suspension, 180-amp, alternator, **Trailer Hitch** 3,500-lb. drawbar/350 lbs. maximum vertical tongue weight & 6-pin wire connector.

### Cab Area & Driver Conveniences

- **Beverage Holders, Cab Seats (Fabric)** armrest, adjustable lumbar support, adjustable headrest, multiajustable slide/recline, Cruise Control, Captain cab divider, Document Clip, Glove Box vented, Power Cab Windows, Power Door Locks w/remote control, driver/passenger main entry, Powerpoint 12-volt DC/cigarette lighter, **Powerpoint** 12-volt DC, Steering Wheel tilt & telescoping, Sunvisors, Trim Panels driver & passenger doors, Windshield Wipers intermittent.
- **Cab Seats UltraLeather™ Monitor System** view/review w/single camera, 1-way audio.

### Entertainment

- **Radio (Cab)** AM/FM stereo, CD player, MP3 interface & iPod dock, remote, speakers (2) cab & (2) coach, subwoofer, Sony® Radio Power Switch, main/auxiliary battery, Satellite System Ready, TV Antenna (Amplified) interior jack, coax wiring, cable input.
- **Stereo System (Coach)** AM/FM stereo radio, alarm clock, CD/DVD player, input jack, TV 19" LCD w/remote
- **Satellite Radio Receiver** includes 6-month paid Sirius® subscription.

### Interior

- **Bunk** front overhead whirled mattress, gas struts, bunk ladder, privacy curtain, windows, light, **Ceiling** fabric, Countertops laminate, Lights halogen, Lights ceiling, incandescent w/window switches, Light stepwell, Mini Blinds bath: Skylight w/cover, sliding screen, sliding pleated shade, Shades day/night/pleated (lounge, dinette & galley)
- **Cabinet** front overhead storage w/accents lights.

### Furniture

- **Dinette** w/interior & exterior access to storage below front seat
- **Sofa** w/interior access to storage below both seats
- **Sofa** w/access to storage below (NA 24B), throw pillow
- **Sofa** w/table & access to storage below, throw pillow

### Galley

- **Faucet** dual-control, Microwave/Convection Oven, Range Top 3-burner, Range Hood vented w/light & fan, Receptacle AC duplex, Refrigerator/Freezer large double-door (single-door on 24B), Norcold® Sink round, single-bowl, stainless steel, w/wood sink cover
- **Countertop Extension** pullout
- **Pantry**
- **Water Filtration System**

### Bath

- **Cabinet** lavatory, Cabinet medicine, Faucet (Lavatory) dual-control, Faucet (Shower) dual-control w/flexible showerhead, Light shower, **Roof Vent** powered, **Shower Door** retractable, Sink round, stainless steel, Skylight
- **Roof Vent** powered ventilator fan

### Bedroom

- **Bed** angle-split mattress, pillows, pillow shams, interior & exterior access to storage below
- **Bunk Beds (2)** w/mattresses, privacy curtains, storage pockets

### Exterior

- **Awning Rail** w/rain gutter, **Bumpers** front & rear, Door entrance w/ separate screen door, deadbolt lock, remote keyless entry, **Entrance Door Steps** double, electric w/doorbarn switch, Ladder, Light porch w/interior switch, Mirrors electric remote w/defrost, convex, surface-mounted turn signals, extended arms, Mudflaps front & rear, **Pulled Storage Drawer** w/sealed lid, **Receptacle** AC duplex, **Sidewall Skin** 1-piece, smooth, **Steps** cab, Storage Compartment w/bottom trunk liner, **Windows** tinted
- **Awning** patio, manual

### Systems

- **HEATING & A/C - Automotive Heater/Air Conditioner** single climate control, **Air Conditioner (Rooftop)** 13,500 BTU, ceiling-ducted w/ wall thermostat, **Furnace** 25,000 BTU (24H & 24J ducted in floor, 24B ducted above floor)
- **A/C Heat Pump**
- **ELECTRICAL - Auxiliary Start Battery (Coach)** (2) Group 24 deep-cycle, **Battery (Coach)** Disconnect System, Dual Battery charge control (automatic), **Electrical Distribution System** AC breaker panel, DC automotive-style fuses, 45-amp, converter/charger, **Generator Prep Kit**, **Monitor Panel** battery condition gauge, generator hourmeter gauge, generator start/stop switch, holding tank levels, LP tank level, water heater lights, water heater switch, water pump switch, water tank level, **Power Cord** 30-amp., **Service Center (Electrical)** cable TV input, power cord, portable satellite dish hook up, QuickPort® service connection hatch (NA 24J)
- **Generator** 3,200-watt Cummins Onan® Quiet Diesel™ (NA gas chassis, NA gas & LP generators), **Generator** 3,600-watt Cummins Onan MicroQuiet®, **LP** (requires diesel engine), **Generator** 4,000-watt Cummins Onan MicroQuiet, (gas requires gas engine)
- **PLUMBING - Drain water tank, 1; Service Compartment (Drainage/ Water)** w/colorcoded labels, city water hook up, tank diverter fill, drainage valve, 10" sewer hose, Tank LP permanent mount w/gauge, TrueLevel® Holding Tank Monitoring System, **Water Heater** 6-gallon electronic ignition, LP gas, **Water System Winterization Package** water heater bypass valve & siphon tube, **Water Pump** demand
- **Drainage System** heated, electric, **Exterior Wash Station** w/lighted pump switch, **Water Heater** 6-gallon electronic ignition, 120 VAC/LP Gas

### Safety

- **Airbags driver & passenger, Assist Bar interior, Detectors/Alarms** LP leak, smoke, carbon monoxide, Fire Extinguisher 10 BC, **Ground Fault Interrupter**, Lamps daytime running, fog, Lights rear, high-mount brake lamps, Seat Belts cab, 3-point, Seat Belts lap (in selected areas), **Window** escape
- **Child Seat Tether Anchor** dinette

### Warranty

- **12-month/15,000-mile basic warranty**, 36-month/36,000-mile limited warranty on structure, 10-year limited parts & labor warranty on roof skin in
  1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
  2. The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.
  3. Capacities are based on measurements prior to tank installation. Sight capacity variations can result due to installation applications.
  4. Capacities shown are tank manufacturer’s listed water capacity (W.C.). Actual filled capacities may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
  5. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator’s Manual of your vehicle for further towing information.
  6. See separate chassis warranty.
  7. See your dealer for complete warranty information.
- **NA Not Available**
- **Standard**
- **Optional**
- **Not all items available in combination. See dealer for details.**
- **Winner® Industries’® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available at printing.**
Choose from three fabric selections and two cabinet wood choices with hidden hinges.

Visit us on the web for more info on all of our motor homes, the latest product updates and a host of web-exclusive content.
Itasca motor homes are built by Winnebago Industries, the company that defined motor homes. The company that built its reputation on quality construction. The company that transformed the motor home concept into a way of life.

Today, Winnebago Industries brings that reputation for quality and its 49-year history of motor home innovation to the design and construction of every motor home. It’s all a part of SuperStructure®, our exclusive system of proprietary structural components that instills each motor home with improved strength and durability.

**Solid Foundation**
Steel and aluminum truss work provides a solid, flat foundation for the floor and sidewalls. Winnebago Industries engineers also take special care to distribute the weight of components to ensure proper handling and stability.

**Interlocking Joints**
The floor, sidewalls and roof are all integrally connected using interlocking joints. This creates a coach body that acts as a cohesive unit for improved strength and durability.

**E-Coating**
Winnebago Industries employs an exclusive 12-stage automotive-style dip tank process to apply an advanced electrodeposition coating on critical steel components for superior corrosion protection.

**Thermo-Panel® Sidewalls**
Invented by Winnebago Industries, Thermo-Panel construction combines a fiberglass panel, high-density, block-foam insulation and aluminum support structures to create some of the most durable, lightweight sidewalls in the industry.

**Attention to Detail**
Whether it’s sending every coach through a high-pressure water tunnel to check for leaks or labeling each individual wire and bar-coding parts to save time and frustration during service, Winnebago Industries considers every detail to ensure your Itasca motor home provides you with years of pleasure.

**Strong as Steel**
Appliances are secured directly to embedded steel plates for added safety.

**Fiberglass Roof**
The Navion features a crowned, one-piece fiberglass roof, backed with a 10-year limited parts-and-labor roof skin warranty. Fiberglass offers superior strength, attractiveness and durability over the rubber roofs found on many competitive models which can chalk, streak and degrade over time. Fiberglass also provides increased puncture and tear resistance.
