Take a Tour

We're proud of our process, state-of-the-art facilities and the people who make Winnebago Industries number one. We invite you to visit our factory in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motor home we build.

Recognized Quality

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle award to manufacturers who provide exceptional products, service and support. Winnebago Industries is proud to be the only manufacturer to receive this award every year since its inception.

Committed to Service

We back our motor homes with the industry's best service after the sale.

• 12-month/15,000-mile basic limited warranty
• 36-month/36,000-mile warranty on structure
• Standard 10-year limited parts-and-labor roof skin warranty
• Complimentary 24-hour roadside assistance program
• TripSaver Fast Track Parts. TripSaver guarantees that in-stock warranty parts ship directly to your dealer within 24 hours.
• National dealer service network

WIT Club

Winnebago owners are like family. Joining the Winnebago-Itasca Travelers is a great way to meet and travel with other Winnebago enthusiasts.

Members enjoy:

• Caravans and rallies
• Local and state group activities
• RV travel benefits
Start your vacation with a new Outlook.

Make your travels more memorable with a 2008 Winnebago Outlook. With three models and a host of popular features, there’s an Outlook perfect for any adventure. Each floorplan is designed and created with our SmartSpace™ design philosophy that employs innovative features like a 19" LCD TV that tucks away in the front bunk bed area to make the most of the available space. You’ll also enjoy contemporary fabrics and stylish curved cabinetry that is sized to better accommodate your gear and provide a welcoming environment. Whether you’re traveling for a weekend or weeks on end, the top-selling Winnebago Outlook will always make you feel at home.
The Outlook greets you with an inviting atmosphere composed of luxurious curved cabinetry in your choice of Honey Cherry or Washed Maple, nickel hardware, contemporary fabrics and stylish formed countertops.

Choose the Interior Upgrade Package for more upscale features such as rope accent lighting, day/night pleated blinds that let you choose the level of privacy, a decorative range backsplash, a dash appliqué and more. It also includes a Titanium Touch™ stainless refrigerator façade that resists fingerprints, is warmer to the touch than traditional stainless steel and even holds your favorite kitchen magnets.

Get cold, filtered water on demand by adding the water filtration system.

A bunk with a ladder comes standard or you can choose the overhead entertainment center with a 27” TV with DVD player, Home Theater Sound System and additional storage. Cooling comfort is provided by ceiling-ducted air conditioning with an available heat pump that can help warm the coach on cool mornings. Both are controlled by a single, digital, wall-mounted thermostat for enhanced temperature control.

Welcome home

The icon designates a Winnebago Industries Key Feature. For further in-depth information and photos, use the Drop-down Menu or click on the 'Key Features' page at winnebagoind.com.
Your Outlook is loaded with Smart Storage™ that lets you conveniently bring along more gear. That’s because Smart Storage uses every inch of available storage for its maximum benefit. The large rear compartment in the 31C and 31H has access from both the side and rear of the motor home for your convenience. Deluxe Graphics with fiberglass running boards and wheel lips offer stylish exterior enhancements.

Driving your Outlook is fun and relaxing in the comfortable cab seats with available UltraLeather™. Plus, it’s a pleasure to drive with automotive controls and a rearview monitor that takes the stress out of backing and maneuvering.

Listen to CDs, the weather band, or connect your iPod to the RV Radio®. Upgrade to the Sirius® Satellite radio package for crystal-clear programming anywhere in the U.S. This package is also iPod ready so you can listen to and control your iPod through the dash stereo.

Eliminate tank-level guesswork with our exclusive TrueLevel™ holding tank monitoring system. It incorporates detector cells that determine liquid levels from outside the tank. No probes means no more corrosion, just accurate readings, time after time.

A unique rear storage compartment is a part of the Smart Storage design in the 31C and 31H. It includes a storage compartment cover that converts into a table with folding legs.

A side storage bin, featured on 31C and 31H, comes with a drain plug so you can store wet gear or keep your drinks on ice.

The available exterior entertainment center includes an AM/FM stereo, CD player, 12-volt DC receptacle, TV jack, 110-volt outlet, two speakers and a removable table.

No need to crawl on your hands and knees to get your gear. The StoreMore® slideout system on the 31C and 31H, pioneered by Winnebago Industries®, allows exterior storage bays to extend with the slideout room for easy access.
Note: Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas.

### Automotive/Chassis

- **Ford® E450 Chassis** – 6.8L SOHC Triton® V10 engine, 305-hp, automatic transmission, TorqShift,"™ 5-speed w/tow/haul feature, 4-wheel ABS, 130-amp. alternator, dual air bags, **Trailer Hitch**® 5,000-lb. drawbar/350 lbs. maximum vertical tongue weight & wiring w/7-pin connector, **Wheel Liners** stainless steel
- **Chevrolet® Chassis**™ – 6.0L 6000 Vortec V8 engine, 300-hp, automatic transmission, 4-speed overdrive, 4-wheel ABS, 145-amp. alternator, dual air bags, **Trailer Hitch**® 3,500-lb. drawbar/350 lbs. maximum vertical tongue weight & wiring w/7-pin connector, **Wheel Liners** stainless steel
- **Air Springs** auxiliary rear, **Leveling Jacks** hydraulic, automatic (NA Chevrolet Chassis), **Wheels** styled aluminum

### Cab Area & Driver Conveniences

- **Beverage Holder, Cab Seats** w/3-point adjustable seat belts, armrest, lumbar support, multijustable slide/recline, **Cigarette Lighter/12-Volt DC**
- **Powerpoint, Cruise Control, Curtain** cab divider, **Mirrors** exterior, manual adjust, **Power Door Locks** driver, passenger & main entry, **Power Windows, Monitor System** reareview, cable ready, **Steering Wheel** tilt w/power-assist, **Trim Panels** driver & passenger doors
- **Cab Seats (UltraLeather™)**, **Mirrors** exterior, electric remote w/defrost, **Monitor System** reareview w/single camera, **LCD monitor**

### Entertainment

- **RV Radio® (w/Ford Chassis)** AM/FM stereo/CD w/weather band, speakers (4), iPod/MP3 input, remote controls (2) one handheld, one mounted on steering wheel, **Radio (w/Chevrolet Chassis) AM/FM** stereo/CD, **Radio Power Switch** main/auxiliary, **TV Enhancement Package** antenna (amplified), 12-volt DC powerpoint(s), interior jack(s), coax wiring, cable input, **Telephone Input** modular connector, interior jack

### Entertainment Center (Exterior)

- AM/FM radio, CD player w/remote, DC receptacle, AC duplex receptacle, TV jack, radio antenna, removable TV table, speakers (2), lockable compartment
- **Satellite Dish Antenna** RV digital, elevation sensing unit, manual, **Sirius® Satellite Radio System** (NA Chevrolet chassis), iPod interface connector, antenna, receiver, 6-month complimentary subscription, **TV 19” LCD (Front Bunk Area) Stereo System** w/AM/FM radio, CD/DVD player, alarm clock, input jack (plays MP3), headphone jack

### Entertainment Center (Interior Front Overhead)

- TV AC 27” w/remote, Sony®, Home Theater Sound System with AM/FM receiver, DVD player, amplifier, speakers (5), subwoofer, video selection system, accent rope lighting above cabinet, **Satellite Dish Antenna** RV digital, elevation sensing unit, manual, **Sirius® Satellite Radio System** (NA Chevrolet chassis), iPod interface connector, antenna, receiver, 6-month complimentary subscription, **TV 19” LCD (Front Bunk Area) Stereo System** w/AM/FM radio, CD/DVD player, alarm clock, input jack (plays MP3), headphone jack
**Exterior**
Awning Rails w/rain gutters, Door entrance w/ separate screen door, deadbolt lock, Entrance Door Step manual, Ladder, Light porch w/interior switch, Mudflaps rear, Receptacle AC duplex, Running Boards painted steel, Sidewall Skin 1-piece smooth fiberglass, Storage Compartments w/trunk liner, KeyOne™ System
Awning patio, vinyl, Entrance Door Step electric w/orjamb switch, Running Boards fiberglass w/wheel lips (w/available deluxe graphics)
Trunk rear, backwall door, access door on the right, KeyOne System, storage bin covers (one w/fitting table legs), drain hole

**Systems**
**HEATING & A/C – Air Conditioner (Roof)** 14,800 BTU, ceiling-ducted w/wall thermostat, Furnace 30,000 BTU, low-profile
A/C Heat Pump w/roof A/C
**ELECTRICAL – Auxiliary Start Circuit, Battery (Coach)** Group 24 deep-cycle, Battery (Coach)
Disconnect System, Dual Battery charge control (automatic), Electrical Distribution System DC fuses, AC breakers, 45-amp. electronic converter/charger, Generator Prep Kit, Monitor Panel wall-mounted, battery condition gauge, generator hourmeter gauge, generator start/stop switch, holding tanks level, LP tank level, water heater lights, water heater switch, water pump switch, water tank level, Power Cord 30-amp., 25'
Batteries (Coach) (2) Group 24 deep-cycle, Generator 4,000-watt, Cummins Onan® MicroQuiet™ gas, Inverter DC/AC, 300-watt (NA w/bunk)

Drainage System™ heated, electric, one heat pad per tank, pipe wraps, lighted on/off switch next to monitor panel (pre-wired for Canada), Wash Station exterior w/lighted pump switch, Water Heater 6-gallon, electronic ignition/110V, LP gas w/motoraid, rear auto heater & energy management system

**Safety**
Airbags driver & passenger, Assist Handle exterior, Assist Bar interior, Brakelamp high-mount, Bumpers front & rear, Child Seat Tether Anchor dinette, Detectors/Alarms LP leak, smoke, carbon monoxide, Fire Extinguisher 10 BC, Ground Fault Interrupter, Light(s) courtesy w/wall switch(es), Seat Belts cab, 3-point, Seat Belts lap (in selected areas), Sliderroom Master Lock Switch key activated, Window escape

**Warranty**
12-month/15,000-mile basic warranty, 36-month/36,000-mile limited warranty on structure, 10-year limited parts & labor warranty on roof skin

---

1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2 Outlook floorplans feature a wide-body design – over 96”. In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96” in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
3 The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.
4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
5 Capacities shown are tank manufacturer’s list water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and CGWR as well as adequate trailer brakes. Please refer to the Operator’s Manual of your vehicle for further towing information.
7 Not available in Canada.
8 See separate chassis warranty.
9 See your dealer for complete warranty information.
10 NA Not Available
11 Standard
12 Optional
Not all items available in combination. See dealer for details.
Winnebago Industries® continuous program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available at printing.
Choose from three fabric selections and two cabinet wood choices with hidden hinges.

- Linen Moss w/available Timber UltraLeather™
- Sesame Seed w/available Timber UltraLeather
- Tuscan Sun w/available Truffle UltraLeather

Winnebago motor homes are built by Winnebago Industries, the company that defined motor homes. The company that built its reputation on quality construction. The company that transformed the motor home concept into a way of life.

Today, Winnebago Industries brings that reputation for quality and its 49-year history of motor home innovation to the design and construction of every motor home. It’s all a part of SuperStructure, our exclusive system of proprietary structural components that instills each motor home with improved strength and durability.

**Solid Foundation** Steel and aluminum truss work provides a solid, flat foundation for the floor and sidewalls. Winnebago Industries engineers also take special care to distribute the weight of components to ensure proper handling and stability.

**E-Coating** Winnebago Industries employs an exclusive 12-stage automotive-style dip tank process to apply an advanced electrodeposition coating on critical steel components for superior corrosion protection.

**Thermo-Panel® Sidewalls** Invented by Winnebago Industries, Thermo-Panel construction combines a fiberglass panel, high-density, block-foam insulation and aluminum support structures to create some of the most durable, lightweight sidewalls in the industry.

**Attention to Detail** Whether it’s sending every coach through a high pressure water tunnel to check for leaks or labeling each individual wire and bar-coding parts to save time and frustration during service, Winnebago Industries considers every detail to ensure your Winnebago motor home provides you with years of pleasure.

**Strong as Steel** Appliances are secured directly to embedded steel plates for added safety.

**Fiberglass Roof** The Outlook features a crowned, one-piece fiberglass roof, backed with a 10-year limited parts-and-labor roof skin warranty. Fiberglass offers superior strength, attractiveness and durability over the rubber roofs found on many competitive models which can chalk, streak and degrade over time. Fiberglass also provides increased puncture and tear resistance.

---
