The Era is the nimble, fuel-efficient, easy-to-drive fun machine other Class B motor homes wish they could be. Leveraging the full capabilities of the Mercedes-Benz® Sprinter 3500 chassis with its Mercedes-Benz turbo-diesel engine and dual rear wheels, the Era takes you on fuel-efficient adventures you never thought were possible in a full-featured motor home. This is our SmartSpace™ philosophy’s finest hour. This is the 2012 Era from Winnebago Industries.

**WHY ERA?**

- Mercedes-Benz diesel engine
- Enhanced storage
- Available exterior accessory package
- 7 belted positions for seating flexibility
- 4 child seat tether anchors
- Powered sofa
- Ultraleather™ Companion seats
- 11,030-lb. GVWR
THE MORE YOU LOOK, THE MORE YOU FIND

The Era offers the freedom and flexibility today’s generation of RV enthusiasts demand. Several features are more than they appear, including a powered sofa with three belted positions that expands to create a spacious bed and a 22” LED LCD HDTV that extends and swivels 180° to be seen from the front and rear of the motor home. The cab seats and companion seats also swivel to face each other while you enjoy a nice meal on the removable pedestal table.

Corian countertops set the stage in the in-line galley with a surprising amount of prep space. Contemporary cabinetry with stainless steel hardware adds to the feel and maximizes available storage. Glass covers expand your countertop space when the range and sink are not in use.

A microwave oven, refrigerator/freezer and an available cold-water filtration system round out the galley.

Whether you are making dinner, relaxing or cruising down the highway, you will enjoy outstanding sound from the coach stereo system with CD/DVD player. The RV Radio® with incorporated rearview monitor system comes standard and you can add the Sirius® Satellite Radio for even more digital entertainment. Add the Infotainment Center/GPS for a 7” touch screen monitor that will keep you on course no matter where your dreams take you.

Extra storage or an extra seat? The Era comes with a quick-release companion seat. Choose the available wardrobe storage cabinet and you can customize your Era for every trip.

Large rear doors open 270° for loading larger items into storage areas above and below the sofa.

The powered sofa is large enough for three belted passengers and folds down into a 70” x 80” bed at the press of a button.

A convenient three-compartment soap dispenser built right into the shower is designed with the frequent traveler in mind.

- Fog lamps
- High-mount brake lamps

#### Warranty

12-month/15,000-mile basic warranty

---

1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment specifications, equipment, model availability and prices subject to change without notice.

2 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

3 Capacities shown are tank manufacturer’s listed water capacity (W.C.) Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

4 Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator’s Manual of your vehicle for further information.

5 See separate chassis warranty.

6 See your dealer for complete warranty information.

Not all items available in combination. See dealer for details.

Winnebago Industries’® continuing program of product improvement makes specifications, equipment, model availability and prices subject to change without notice.
