

LITE FIVE

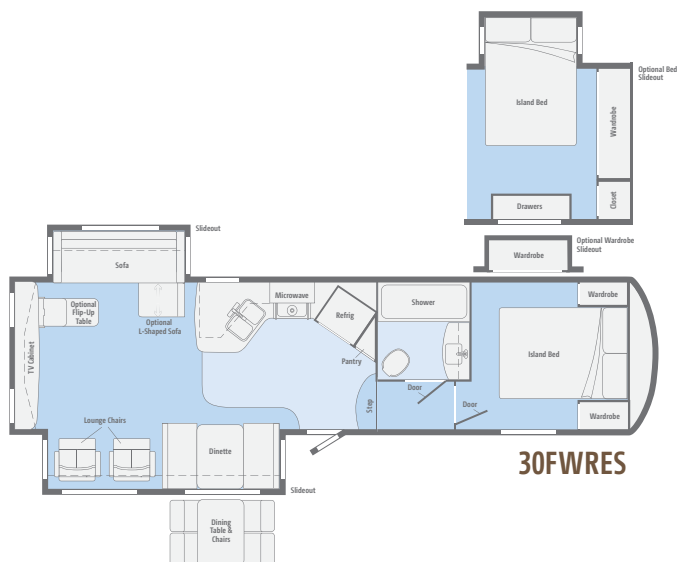

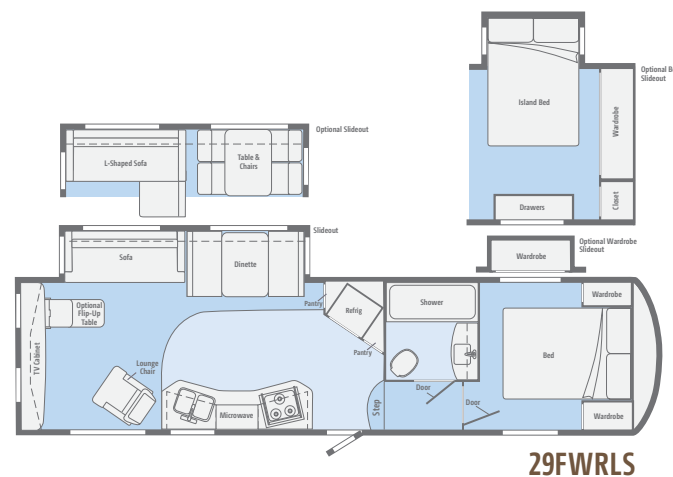

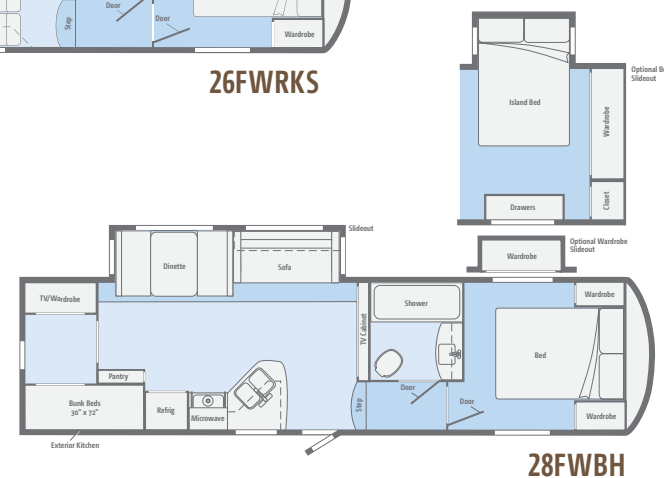

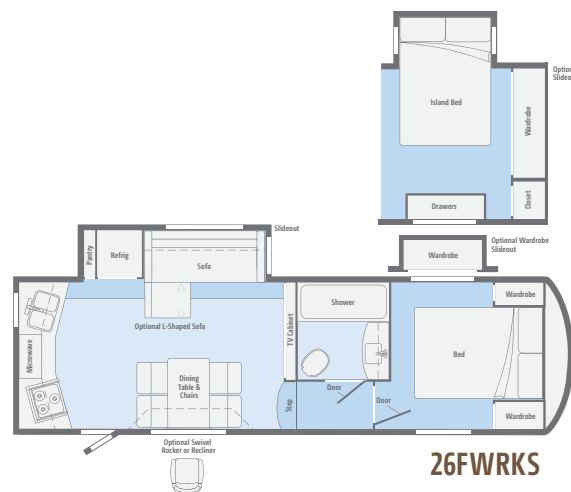

The Mid-Profile at the Top of its Class

Looking for luxury in a fifth wheel you can tow? Look no further. True to its name, the Winnebago® Lite Five series offers all of the features, comforts and quality you expect from Winnebago in a mid-profile design that takes it easy on the tow vehicle. Comfortable layouts with available L-shaped sofas, recliners, and a cozy fireplace make you feel right at home. Outside,

the champagne-colored gel coat fiberglass looks great with black accents and the painted fiberglass front cap has new blue LED lights. Featuring Turn Plus engineering, the front cap design makes sharp turns easy, even for short bed pickup trucks. Whether it's just for the weekend, or a cross country trip, the Winnebago Lite Five is waiting to get you there in style.
