

Grand Tour

WINNEBAGO[®]

Take a Tour with Luxury

Introducing the final stop in luxurious living: the Grand Tour[®]. This incomparably elegant diesel-pusher is built to surpass even the most demanding expectations. Its refined elegance begins with the revolutionary Winnebago-exclusive Maxum Chassis[®] with lowered-rail construction, unequaled ride, performance, and storage capacity. Grasp the power of the 450-hp Cummins[®] diesel engine in the Villa luxury six-way adjustable cab seats with powered footrests, heat and massage, and power lumbar support. Upscale amenities unique to the Grand Tour include polished porcelain tiles, a large skylight with powered shade, keyless entry, and six full-body paint packages. Multi-plex wall switches located throughout the all-electric coach allow you to control exterior and interior lights, hydraulic jacks, MCD power shades, slideout rooms, and more, while the Carefree[®] Paramount awnings extend from the top of the RV to three easy positions: slideout, slideout and window, and full-patio extension. The LED lighting and electric fireplace infuse the interior with luxurious ambiance while outdoor entertaining is a joy with the Tailgate Package offering a single-burner induction range top, steel counter, lockable refrigerator/freezer, storage area, and cold water access. Plus, an exterior entertainment center features an HDTV with sound bar and subwoofer so you can truly have the best of everything. The Grand Tour: the final stop for luxurious living.

RECOGNIZED QUALITY

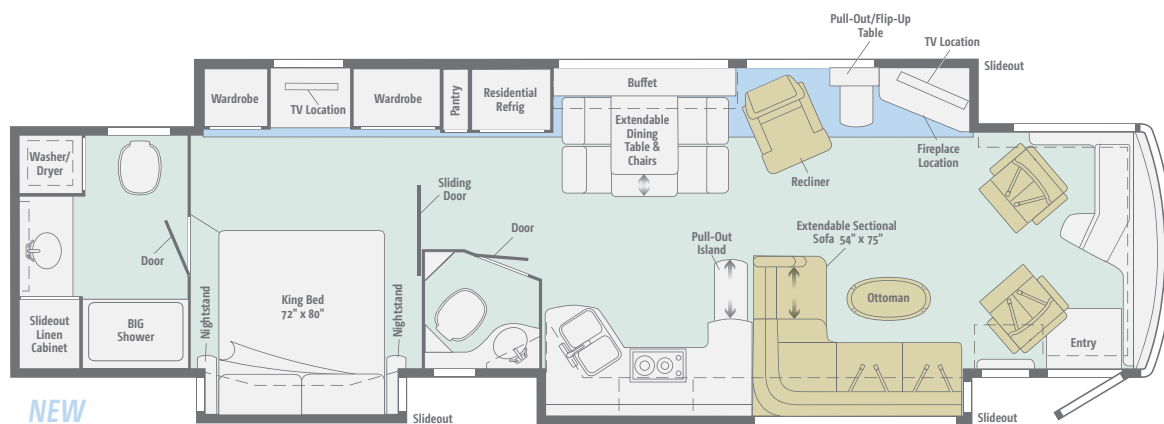

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- Floorplans feature a wide-body design - over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

- Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
 - Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
